## CELEBRATE EVENT OF COMING TO THIS COUNTRY

VERBURG FAMILY GATHER IN CHICAGO ACCORDING TO CHICAGO PAPER

The Chicago Chronicle chronicles the fact that 20 members of the Verburg family celebrated the 35th anniversary of the arrival of the family in the city of Chicago from the Netherlands.

The gathering took place on April 6, at the home of Peter Verburg, 3758 North Kildare avenue. Mr. and Mrs. Adrian Verburg and family arrived from the Netherlands in Chicago April 6, 1889. Soon afterward they moved to a farm near Holland, Mich. Mr. Verburg died in 1908 and Mrs. Verburg in 1910. Five sons and one daughter and twelve grandchildren survive.

While Jacob, John and Peter Verburg are now living in Chicago, Rev. James Verburg and Martin Verburg, both graduates of Hope college are doing religious work. James is a pastor in Columbus, Ohio, while Martin is doing Y. M. C. A. work at Marion, Ohio, the home of the late president Harding.

Mr. and Mrs. J. C. Van Leeuwen and family of Holland motored to the celebration in Chicago, which according to the Chicago papers was quite an event. Mrs. Van Leeuwen was the only daughter of Mr. and Mrs. Verburg, and has been a resident of Holland almost since the time of her arrival in this country.

## ORATORICAL CONTEST WINNER TO GIVE ORATION AT HOPE CHURCH

"OUR UNCROWNED KINGS" TO BE HEARD SUNDAY NIGHT

Dr. J. B. Nykerk of Hope College has a treat in store for Holland. He has made it possible for citizens to hear Simon Heemstra deliver his oration "Our Uncrowned Kings," that won him the national contest and a gold medal, and brought a loving cup to Hope College.

Mr. Heemstra will deliver his oration Sunday night at Hope church and the public is cordially invited to listen to Hope's wonderful orator.

Besides the oration the Hope College male quartette will furnish the music and other features in the program will be introduced.

## POLICE SAY 1,000 HAVE SKATES ON

Officer Bontekoe who has been keeping his eye on the skaters who are using College avenue between 10th and 12th as a roller skating pond, said there were not less than 1,000 skaters there last night, and if the crowd continues to come, Mayor Stephan will have to extend the pond a few blocks more. Old timers who were roller skaters in the earlier days are now putting on skates and are trying a whirl in the municipal skating rink.

## OTTAWA COUNTY GIVES COOLIDGE 2757 VOTES

FORD ON DEMOCRATIC TICKET GETS FOUR MAJORITY

In the race for the presidential preference in the primary election held Monday, returns from 25 out of 30 precincts in Ottawa county give Calvin Coolidge 2,757 and Hiram W. Johnson 736. Allendale, Blendon, Georgetown and the two precincts in Zeeland city have not been heard from yet.

Returns have been very slow in coming in, but a small number of the returns being available. Latest figures give the following results in the presidential primary: Coolidge, 2,757; Johnson, 736; Simpson, 106; Ferris, 313; Ford, 317. On the Democratic ticket, Ford and Ferris were running close in this county, the auto manufacturer having four more votes than his opponent at the last count.

## TWO MUSICAL EVENTS AT TRINITY CHURCH

On Sunday evening the American Legion quartet will sing, taking up part of the program of the evening, at Trinity church. This musical organization has as its members Bernard Kammeraad, Horace Dekker, M. Schepers, and Joe Kramer.

The pastor will preach on the subject, "Why Make Public Confession?" On the Sunday evening following, namely Easter Sunday, the vested choir of the church will render a cantata "Resurrection Morn." The pastor will deliver a brief sermon during the evening.

## ILLINOIS PASTOR MOVES TO MUSKOGON

Rev. J. Masselink of Fulton, Ill., has accepted the call to the Second Christian Reformed church of Muskogon, and is expected to take up the work here the latter part of June.

Rev. Masselink is a graduate of Grundy Center college, Grundy Center, Iowa, completing the work there in 1918, following which he took the charge at Ridott, Illinois. He was at Ridott until going to his present church at Fulton in November 1920. Rev. Masselink is married.

He replaces Rev. H. Vander Ploeg, who left the Second church to take the charge at East Saugatuck, Mich., last November.

## EVEN A JUDGE GETS BITTEN SOMETIME

BUYS CIGARS FROM TRAVELING SYRIAN WITH ODOROUS RESULTS

"Apropos of Doctor Osburn's struggle with the rubber-loaded cigar, Justice Herman H. Cook tells a sad tale of his experience with an itinerant Syrian cigar peddler. The wily son of the desert gave Herman some sample cigars from his box and Herman found them excellent. More samples were forthcoming before the cautious Hollander would deal with the sharper from the far east. At last he bought several boxes. The first smoke proved as good as the sample and Herman had got down to the 2nd tier when he journeyed forth with some guests in the old car. He handed around some from that second tier with loud encomiums as to their high quality and much self-praise for his sharp bargaining. The guests lighted them and for a time forebore comment, thinking he had handed them some of his regular election weeds. At last the odor in the car became too high even for Herman. An examination showed that all of the cigars below the first tier were made of refuse. Syrian cigar peddlers should steer clear of Allegan. Justice Cook stands ready to sentence them for life at hard labor."—Allegan Gazette.

## ALDERMAN-ELECT BERT SLAGH THANKS VOTERS

Bert Slagh, the newly elected alderman of the 1st ward, issued the following statement:

"I wish to thank the voters of the ward in which I was elected for the confidence shown in me in naming me their representative in the common council for the next two years. While the vote was very close, there were enough votes to spare to elect me. I hope that my record in the common council will be such that I may gain the approval of the vast majority of my constituency not alone but of the entire city, for after all an alderman should not be bound by ward lines, for in reality he is an alderman for the city at large.

"Again thanking you, I remain, Yours, for the best interests of Holland," Bert Slagh

## CASHIER LUIDENS BUYS HOME OF PROFESSOR RAAP

MR. VANDE RIET PURCHASES MCBRIDE HOMESTEAD

Two important real estate transfers took place within the last few days in which Prof. A. Raap sells his beautiful home on 307 College avenue to Cashier Henry Luidens of the First State Bank.

A second deal was made by George Vande Riet, manager of the Holland Chair company, he purchasing the old McBride homestead on West 11th street near Pine. Consideration—\$7,000.

A beautiful home now under construction is one now being put up by Dr. R. A. Nichols on 12th street directly east from the 3rd Reformed church. The structure will cost approximately \$15,000 when completed.

## LITTLE BROWN JUG CONTAINS STUFF FOR SAMARITAN

Osman German of Paw Paw got a wrong idea of the parable of the Good Samaritan. He claims he aided an unfortunate motorist who was in the ditch on the Babylon road, Allegan county, Saturday, and accepted a drink out of a jug as reward. He has an idea it was wine, but if it was, it was the variety which "moveth itself aright." He ended a lively descent of Depot hill, by smashing his wheels on the curb near Wilford Beery's and the Allegan county sheriff gathered him in. Monday Justice Brady listened to his account of the donor of the wine whom he could not describe, and added an extra ten dollars to the statutory minimum of \$50, with \$4.35 costs, as a token of appreciation of his tale. Osman will have a care of wayside Ganymedes.

## SIXTH REFORMED CHURCH PREPARES FOR EASTER CANTATA

REDEMPTION'S SONG OFFERING OF YOUNG PEOPLE OF THE CHURCH

Extensive preparations have been made for some weeks by the young people of the Sixth Reformed church where a chorus of 45 is to render the Easter Cantata entitled "Redemption's Song."

This oratorio is to be rendered on the evening of Wednesday April 16, beginning at 7:30 o'clock, to which the public is cordially invited.

The Sixth Reformed church has been doing well under the leadership of the pastor, Rev. Bruggers, and many programs aside from the regular church work have been put on. The cantata under the direction of John Vander Sluis is to be a new departure and comes very timely during Eastertide.

The program follows below:

Through the courtesy of the Holland Poultry Ass'n there will be a showing of the famous three reel Dickinson Educational Poultry film at Holland in the City hall, Thursday evening, April 10th, at 7:45 p. m. All are invited to come and see this film.

## MICHIGAN FISH LED THE FIELD

Fish taken in Michigan waters led the field in the contest that the Isaak Walton League conducted last season for the largest brook and rainbow trout, large and smallmouth bass, and common pike taken on single hooked lures. Outdoor America, the league's monthly magazine, recently printed the following results:

BROOK TROUT—Second place, won by Albert Hunt with a 7 1-2 pounder taken from the Au Sable River; third place, won by David Raymond with a fish of the same weight caught in the Pere Marquette river; first place was won by Edward G. Taylor, Chicago, author, with an eight pound trout taken from the Nipigon Rapids in Canada.)

RAINBOW TROUT—First place, won by Robert S. Woodbridge of Gr. Rapids, with an 8 1-2 pound rainbow, taken from the Pere Marquette river; second and third places taken by fish from streams in other states.)

SMALL-MOUTH BASS—First place won by Raymond M. Hayden, Saginaw, with a 5 1-2 pound battler taken from Bass Lake; (second and third places taken by fish from other states.)

LARGE-MOUTH BASS—(Michigan fish did not place.)

COMMON PIKE—First place won by William N. Blincoe, of Lansing, with a pike hooked in a little lake near Lansing; (second and third places taken by pike from other states.)

Grand Haven will pass into the daylight saving column on Saturday night at 12 o'clock, April 12. Muskegon and Grand Rapids will also change Saturday night.

## TWENTY-SEVEN COAST GUARD POSTS ARE NOW OPEN

NO TROUBLE EXPERIENCED IN GETTING ENLISTMENTS FOR COMING YEAR

On April first twenty-seven coast guard stations were opened in this district with full crews in nearly every instance. Four of these stations had been open all winter but the remaining 23 went into commission again on the first. Enlistments were made in the service to fill vacancies at this time and so popular did the coast guard service prove that nearly every station has its full quota of men now with but two exceptions, where one man is needed at Manistee and South Haven.

Of the 31 stations in this coast guard district, 27 of them are actively in service, while 4 are manned by a keeper and one man. These stations are White Lake, Pentwater, Big Point Sauble and Point Betsy. All went out of service in the summer of 1921 when a cut was made in the service.

The names of the keepers of the stations are given below with a list of the stations. The stations extend from Mackinaw to Michigan City on the east shore of Lake Michigan and also include the station at Louisville, Kentucky, on the Ohio river. These stations are all in the tenth district, of which Captain Lippincott is superintendent.

Stations and keepers, are: Bois Blanc, Richard Herline; Mackinaw, Otto Eckoff; Beaver Island, Harry Vanden Berg; Charlevoix, Frank Partridge; North Manitow, William Fisher; South Manitow, Oscar Smith; Sleeping Bear, Sam Toft; Point Betsy, A. J. Wessel; Frankfort, Charles Robinson; Manistee, George Robinson; Big Point Sauble, Fred Straubel; Ludington, Nels Palmer; Pentwater, Paul Pearson; White Lake, John Barnard; Muskegon, George Gattfield; Grand Haven, William Preston; Holland, Jacob Van Weelden; South Haven, Ward Bennett; St. Joseph, Sam Carlson; Michigan City, Berger-Benson; Louisville, Walter T. Farrel.

## PROBATE MATTERS COMING UP IN THIS VICINITY

The following probate and will matter were brought up in Probate court before Judge James Danhoff during the past week.

Abram Vander Wal, of Zeeland, executor of the estate of Eelke Vander Wal, deceased, has filed his third annual account showing property on hand as follows: Real estate, \$5,600; personal, \$3,344.16.

Amy L. Boone, of Zeeland, has filed a petition for the administration of the estate of her mother, Jennie Boone, deceased, and that Cornelis Roosenraad be appointed administrator. The estate consists of real estate, \$5,000 and personal property, \$7,000.

William Owens, administrator of the estate of John Owens, Olive, deceased, has filed his final account showing receipts \$1,913.94; disbursements, \$986.69; real estate on hand per inventory, \$16,500.

C. Roosenraad, Zeeland, administrator with will annexed of the estate of Peter Ysenhof, deceased, has filed his final account showing receipts, \$5,832.04, and disbursements, \$3,460.00.

William Bruse and Otto P. Kramer, Holland, administrators of the estate of Adrianna Kuite, deceased, have each certain real estate to Walter C. Walsh for the sum of \$3,600.00.

Jacob Markus, son, of the city of Holland, has filed a petition for the administration of the estate of his mother, Janette Markus, deceased. Estate on hand, estimated, real \$2,500; personal, \$1,000. He asks that his brother, Teunis Markus, be appointed administrator.

Albert De Feyter, of Park township, has filed a petition for the administration of the estate of Arnold De Feyter, deceased, his father, and for the appointment of Jacob De Feyter as administrator of said estate. Estate consists of real, \$2,000, and personal, \$800.00.

Albert De Feyter, son, Holland, has filed a petition for the administration of the estate of Hermine De Feyter, deceased, and for the appointment of Jacob De Feyter as administrator of said estate. The estate consists of real, \$1,000.

Claims against the following estates were heard by the court: Peter Engler, deceased; John T. Ledeboer, deceased, Holland.

The Grand Rapids Trust Co., as trustee of the estate of Alice F. Herber De Vries, deceased, Holland, has filed its second annual account showing total personal property on hand, the sum of \$28,212.03.

## LOCAL

Tree doctors are busy in Centennial Park doctoring up defects they may find in the shade trees there.

Officers found Merritt Dusenberg, Muskegon in a stupor from drinking poisonous liquor at a party near Fruitport and took him to Hackley hospital. Henry Neinhause, who was with Dusenberg, also was affected by the liquor.

Dempsey—Firpo Fight Pictures, the special attraction at the Strand Theatre is drawing the crowds. "The Galloping Ace" gives some idea of what some people in the United States did to the boys who fought in the World's War and what they got when they returned. These pictures will be shown again tonight.

Chief Van Ry had had all the turtles at the different street intersections repainted white. Within a few days the parking stalls on River avenue and 8th street will be marked off in the same color, and the no parking zones around hydrants and corners where the interurban turns will be painted on the pavement.

Michigan is preparing to manufacture the automobile license plates to be used in 1925. Word comes from Lansing that a color scheme for these plates has been selected. According to advance reports, the colors will be the same as used in 1924 in New York, gray plate with black figures.

## ALLEGAN COUNTY WOMAN VICTIM OF HALLUCINATIONS

The Overholt-Washburn litigation, which furnished so much amusement for frequenters of the court-room at Allegan a few weeks ago, is now a thing of the past. Alpha Overholt rented a farm of Herbert Washburn in Leighton township and gave a title note for an interest in certain stock and tools on the farm. Later he suffered a shock, and his wife during his sickness and convalescence did much of the farm-work. She claimed that during this time Washburn made indecent advances to her and took liberties with her, of which she did not inform her husband because of his sickness. Later she sued Washburn for \$20,000 damages and her husband brought a chancery action against him asking for an accounting to include damages for the alleged acts against Mrs. Washburn. In the suit brought by Mrs. Overholt there was sensational testimony by the plaintiff, and Washburn denied all charges, introducing medical evidence tending to show hysterical imagination on her part. The jury, after long consideration, disagreed, standing 10 to 2 in favor of Washburn.

The chancery suit came on immediately before Judge Cross, who listened to the testimony of Mr. and Mrs. Overholt and other witnesses, and decided that the doctors were right, that no such acts as she testified to ever happened, but that they were the results of imagination. He ordered that the Overholts leave the Washburn farm in thirty days and that the stock and tools covered by the title note be sold April 10.

A stipulation was then entered into between the parties, rehearsing most of the above facts, dismissing both cases without costs, releasing Overholt from the note, and giving the personal property to Washburn.

There are many cases on record where people, more especially women, have labored under strange hallucinations as to criminal acts by other parties. They thoroughly believe in the truth of the statements they make, and innocent persons have been convicted on such testimony. Judge Cross believed the case in question to be of this character.

## CHILD NEAR DEATH FROM STRANGULATION

The little 2-year-old son of Mr. and Mrs. John Geerlings, who resides with his parents about three miles south of Zeeland, came very nearly losing his life through strangulation when he became entangled in his clothing. His mother had placed him into his chair where he had been at play for some time and when she left the room he evidently intended to follow her and as is the case with most children of that age, he attempted to slip from his chair. While in this act his clothing became caught on the chair, and he thus remained suspended until his mother found him a few minutes later. She immediately released the child but found him very near death. She immediately summoned a physician and gave what aid she could but it was several hours before consciousness returned to the child. It is thought he will completely recover in a few days.

## THEATRE CREDITORS ASKED TO MEET ON APRIL 24

All Holland Theatre creditors who remain unpaid because of the bankruptcy of Morton and Jones are receiving notices today from referee in bankruptcy, Charles B. Blaire of Grand Rapids, asking them to appear at the Michigan Trust building at 2 o'clock P. M. Eastern time on the 24th day of April, in order to prove their claims and elect a trustee and do such other business as the creditors may see fit to do.

## ALLEGAN STUDENTS ENLIST FOR TRAINING CAMP

Following a lecture by Maj. Joseph Barzynski, U. S. A., Kalamazoo, executive officer of the 5th division training camp, and Lieut. Roy Lampman, O. R. C., 30 Allegan high school students in a body enlisted for the citizens' military training camp Thursday forenoon. Eight had already been enlisted by Maj. Stuch, chairman of the Allegan county committee. The county's quota is exceeded by 200 per cent.

## WOMAN'S MISSION SOCIETY MEETS

Mrs. Thomas Olinger of W. 11th street was hostess Thursday afternoon to the members and friends of the Woman's Foreign Missionary society of the Methodist church. The program proved exceptionally interesting and the attendance one of the largest of the year. Mrs. A. E. McClellan conducted the devotional service. Rev. J. C. De Vinney reviewed the beginnings of missionary effort in Japan. Robert Fleming gave an interesting report of the Student Volunteer convention at Indianapolis, which he attended as delegate from Albion College. Mrs. J. C. De Vinney gave the "What, Why, and How of Tithing," after which a clever demonstration on tithing was given by Mrs. G. Wierda, Margaret Wierda, Mrs. Wm. Winstrom, Mrs. Ruth Fairbanks, and Mrs. O. Rench. A solo, "The Garden of Prayer," was pleasingly rendered by Miss Eva Fairbanks, accompanied by Miss Mabel Bauhahn. Dainty refreshments were served by Mesdames Ray Nies, Wm. Winstrom, E. Markham, and Thos. Olinger.

## SPECTACULAR RUNAWAY ON RIVER AVENUE

A runaway that was rather spectacular and might have proven serious occurred on River avenue Friday afternoon. Charles Scott, son of Ed. Scott of the north side, had come to town with horse and buggy and as he was driving into River avenue the horse was driven from the horse and striking the horse's legs, "dobbin" became ungovernable. Rising on his hind legs the horse showed his hoofs thru the glass of the Sedan belonging to Walter Kruthof. After breaking practically every window on one side of the car, the animal jumped on the radiator that being too hot he dove into the Sentinel alley, the rig striking the brick building occupied by B. Steketee. Here, the horse broke away from the buggy, made through the alley to Central avenue where the frightened horse was caught.

When the collision with the building came, Scott was thrown over the dash board and sustained severe injuries to his leg.

Kruthof after seeing that the man received medical attention took Mr. Scott to his home.

Mr. and Mrs. John Kelly have returned from a month's visit to California.

## What Warm Friend Tavern Will Look Like When It Is Completed

The above shows a wash drawing taken from the architect's plans of the Warm Friend Hotel to be erected within the year upon the site where Hotel Holland stood only a few weeks ago.

The architecture is of Dutch-Flemish design and is rather unique, being different than the common run of hotel buildings.

The hotel is to be six stories and basement, and will be 103x151 feet, built in the form of a letter T which will make possible to have all rooms outside rooms. The new building will have 144 sleeping rooms besides 9 suites on the sixth floor. On this same floor there is to be a Warm Friends Hall, 35x45 feet.

There will be hot and cold water in every room, and all rooms will also be connected up with a telephone. Practically every room will have an ice water faucet which will dispense with the continuous calling of the bell hop for ice water.

There will be 132 complete bath and toilet outfits of the latest design placed in the building, and the last word in interior finish is to be found in the new hotel.

There is to be a well appointed grill room, and also a cozy lobby 48x52 feet containing an inglenook fire place.

Naturally the floor of the lobby is to be tiled with the very best tile; in fact the entire building is to be built of reinforced concrete and tile and will be absolutely fire proof.

A kitchen that will be a wonder for convenience will be installed containing all the apparatus necessary for the best service in the culinary department. There is also to be a coffee shop which cannot help but be the mecca for any "Koffee Kletz" meeting.

The building will contain three stores on 8th street, and will have a barber shop in the basement which has already been leased to Casper Belt, it is stated.

The building will be in face brick laid in Flemish bond, with Indiana limestone and terra-cotta trimmings. Naturally the surroundings of the building will be in keeping with the beautiful structure itself, but the above description gives some idea as to what the new Warm Friend Tavern will be when completed.

The men in charge of the erection aside from the building committee are Raymond C. Snow & Co., Architects Atlanta, Georgia; Frank Dyke, Contractor, Holland, Michigan; F. L. Lacall, Sup't of Construction, Holland, Michigan.

## STATE STARTS ON FAST TIME IN OF- FICES AT LANSING

Eastern or "fast" time, which a few years ago was frowned upon as a foolish jousting with the clock, has gained so many converts that only a few cities of the lower peninsula of Michigan will operate on central time this summer. Lansing where adherents of central and eastern time have been about equally divided in recent years, is the first to push the hands of the clock ahead this year.

Kalamazoo, Grand Rapids and Muskegon will go on eastern time at mid-night Saturday, April 22. Ludington will wait until May 5. The decision to change time in Kalamazoo was made at a commission meeting two weeks ago, Oct. 5 being set as the date for the change back.

Cities operating under eastern time the year round are: Detroit, Flint, Adrian, Saginaw, Bay City, Port Huron, Ann Arbor, Monroe, Pontiac and Jackson. The business of the state will be conducted under eastern time the rest of the summer under a decision of the state administrative board.

## CELEBRATE THEIR GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. Titus Van Haltsma celebrated their fiftieth wedding anniversary at their home in Jamestown, when their children and grandchildren gathered with them to share in the happy occasion. The evening was spent in a general sociable time, games and music, and refreshments were served. The children present were Mr. and Mrs. Jacob Heyboer and Mr. and Mrs. John Van Haltsma of Jamestown; Mr. and Mrs. Gerrit T. Van Haltsma of Vriesland; Mr. and Mrs. Gerrit Heyboer and Mr. and Mrs. Wm. Van Haltsma of Zeeland; Mr. and Mrs. Herman Van Haltsma of Burlington; Mr. and Mrs. John Dekker of Forest Grove and Mr. and Mrs. Nick Van Haltsma of Zeeland; besides seventeen grandchildren. The old couple were presented with a beautiful gift.

## FAMOUS BAND COMING TO GRAND HAVEN

Kryl's band, a nationally famous musical organization under the direction of Bohemir Kryl, will be brought to Grand Haven some time this coming September under the auspices of the Grand Haven American Legion Ladies auxiliary. It was announced Thursday. Lucille Woodrow Wall, representative of the band, closed negotiations with the Grand Haven committee from the Legion auxiliary Tuesday.

Accompanying the band will be a well known soprano vocalist. The entertainment is to be given in the high school auditorium.

## NEW HIGHWAY RULES MAY BAR OPERATION OF AUTOBURN LINES

New regulations pertaining to the weight of loads traveling over the state trunk lines, effective today, threaten to tie up autoburn bus service, freight truck hauls and operation of moving vans.

The state highway department announced that the "half tire capacity" limit will be enforced today on all trunk lines except M-54, the Grand Rapids-Muskegon road, where a pay load limit will be continued.

The maximum net load under the new regulation may be determined by adding the width of the four tires, multiplying that factor by 350 and deducting the weight of the truck. In no case shall the net amount be more than 14,000 pounds.

## WILL GIVE A STUMP BLASTING DEMONSTRATION

County Agent Milham will demonstrate the use of sodalite, the government surplus war explosive, in blasting out stumps on the farm of Gerrit Blaauwkamp, one mile north of Borculo, and a half mile east, on Tuesday afternoon, April 10th, at two o'clock. Many farmers do not know how to use explosives but can easily learn by attending a demonstration. Other demonstrations will doubtless be arranged in other sections of the county at a later date.

## AMATEUR THEATER MANAGER SHOWS HE CAN DO IT

That it is not necessary to have outsiders come in and run away with the profits of a theatre as well as with such accounts as they leave unpaid when departing from the city as bankrupts is shown by the experience of the new Holland Theatre. When the lessees of the place threw up the sponge and went into bankruptcy, many supposed that that would end the history of the local playhouse.

But Mr. G. Buis, the owner of the building, took things into his own hands. He had had little experience in this line of work, but he decided he could do as well as the alleged experienced men who had preceded him. And the result shows that he was right. The theatre is giving programs daily as usual and there has been no falling off in the merit of the programs or in the public's patronage. The theatre is gaining in popularity right along and with the local management the people seem to feel that they are being treated squarely and are ready to respond.

The new Holland theatre is in point of interior beauty one of the finest play-houses in this part of the state. It is not as large as some but it is well constructed and has been made extremely attractive. The stage is ample in size for all kinds of performances and some fine attractions are appearing from time to time.

Home institutions conducted by home men who have the confidence of the public have the best chance as a rule. Though the new manager of the Holland Theatre may not have had as much technical training in that line as professionals, this is more than offset by the confidence of the public in him and people who have become regular patrons of the theatre are predicting that this institution will come through successfully and will share in the city's general prosperity.

## COUNTY ROAD WORK TO START UP VERY SOON

With the coming of better weather, work on Ottawa county roads should start in earnest within another week or two. At the present time County Engineer Carl T. Bowen and his corps of civil engineers, who are usually on road work, are busy drawing diagrams, maps and plans showing the sections of the highway which are figuring in the case of Herbert Tipword versus Ottawa county and which figured recently in the suit of Chief Peter Hansen, of the Muskegon police department against the county. All this has taken much of the time which the road commission workers would now be devoting to actual construction.

A road commission meeting was held Wednesday evening in the court house and some business of importance was accomplished. It was decided to place the burden of enforcing the state law in regard to truck traffic regulation in the present season, in the hands of the sheriff's department. The sheriff will need an extra man for this work but no provision has been made for paying or equipping such man.

## NEW OFFICERS ELECTED FOR THE COUNTRY CLUB

At a meeting of the board of directors of the Holland country club new officers for the coming year were elected. A. H. Landwehr was named president to succeed Jim De Pres. Willis A. Diekema was elected vice-president to succeed A. H. Landwehr in office. Raymond Vischer was elected secretary succeeding Willis A. Diekema and Wm. Wisniewski was elected treasurer to succeed himself.

## CITY GETTING READY FOR ITS PAVING PROGRAM

Although the contract for the city's paving program has not yet been let and will not be let until the evening of April 22, the streets and crosswalks committee, of which mayor-elect Kammeraad is the chairman, has been working to get things in shape so that the moment the contract is awarded the city can jump in and begin actual work.

The work of laying pipes lines on the streets that are to be paved has been in progress for some time and when the contract is let this preliminary work will not hold up the job. Much work has to be done before actual paving can begin and in the past it has sometimes happened that the paving was delayed during the fine spring weather because of this work of preparation. But the committee is arranging things in such a way that that cannot happen the present year.

Almost immediately after April 22 the work of laying the curb and gutter will begin, according to chairman Kammeraad, and the job will be pushed as rapidly as possible so that there will be no chance for whoever gets the contract to charge that the city is holding up the work.

Holland's paving program this year is an easy one compared with that of last year. At that time nearly four and a half miles of road was paved, while this year the total mileage will be a little less than two miles. The streets to be paved are First avenue, Maple avenue, Lincoln avenue, and East 16th street from Lincoln to Fairbanks.

There is much interest in Holland's paving job on the part of contractors and it is expected that a large number of them will make bids for the work. The competition for this kind of work is keen and the council hopes to get a good figure because of this fact.

## BURNING OF OTTAWA BEACH HOTEL BRINGS ABOUT SALE OF FERRY

The passenger ferry, The Ottawa, plying between Jensen Amusement Park and Ottawa Beach for several seasons has been sold, it is stated, and will go up to Lake Superior in the near future. A local crew headed by Captain Leonard Britten of Saugatuck will take the craft to Two Rivers, Wis., where a new engine will be installed. After this has been done the steamer will be run up north where she will be used as a summer resort craft.

The Ottawa has sailed Black Lake for the past ten years and was put on jointly by the Holland Interurban Co. and the Ottawa Beach Hotel Co. The ferry was generally on hand to take passengers from the Chicago Boats as these arrived and also from the West bound Holland Interurban resort specials. No doubt the burning of Hotel Ottawa also had some bearing on the sale of the Ottawa.

## WOMEN CAN GET RID OF GOITRE

HEALTH TALK NO. 14 BY JOHN DE JONGE, D. C.

WITH her natural sensitiveness to appearance there is no disease that is more unwelcome to a woman than goitre. It is good news to be able to say that it is a trouble which responds to the method used in my office.

There are several kinds of goitre, defined according to whether it is in the connective tissues, the vessels or an accumulation of fluid in some space in the thyroid gland. There is a watery form of goitre which is said not to be true goitre. But whichever type of goitre it may be, there is impingement of the spinal nerves to the thyroid gland, and when this impingement is corrected by my chiropractic health method, there is a gradual recovery.

### Goitre Is Gone

"For three years I had been troubled by a goitre I began taking chiropractic spinal adjustments and within a month noticed a big improvement. After a time all the enlargement was gone and I credit it all to chiropractic."—Miss Edna Goodwin, Chiropractic Research Bureau State-ment No. 1398 G.

The column of "Twenty Years Ago" in the Grand Haven Tribune states that Frank Fisher of the Holland Life Saving Station was transferred to Grand Haven. Also that J. Lievens and wife of Holland were guests of Capt. and Mrs. Jensen. It further states that the death of Prof. G. E. Boer occurred in Grand Rapids.

Frank Bottle, of Grand Haven, has announced his intention of becoming a candidate for the Republican nomination of register of deeds of Ottawa county at the coming summer primaries. Mr. Bottle is a native of Grand Haven. His friends point to the fact that he has a commercial education and is equipped for the work of the office. Mr. Bottle's nomination petitions will be circulated in due time and he intends making a vigorous campaign for the nomination. It is said.

The steel superstructure of the Grand Haven-Ferrysburg bridge is now being fabricated in Milwaukee at the plants of the Wisconsin Bridge and Iron Works and will be floated across to this shore to be set up on the concrete piers in Grand river in the near future, according to advices received from Lansing recently. At the present time the concrete piers, four in all and the two abutments are all ready to receive the steel work. The sand fills for the approaches are at the present time in place and the Ottawa county road commission is taking daily tests to determine whether or not it has settled sufficiently.

That there still are many vacant pastorates in the Reformed denomination is evidenced from the fact that five prospective graduates in Western seminary have received a total of 18 calls within the past two months. These five have selected their fields of labor as follows: Dave Bogard, Beaverdam; Ira John Heselink, Hudsonville; Harry J. Hager, Forest Grove; Francis P. Ihrman, Mohawk, N. Y.; Henry W. Pyle, Hollandale, Minn.; Thomas Baker and Cornelius Lepeltak are considering calls and Henry Fikse will take post-graduate work.

The class of 1924 numbers 10. Seven of the 10 members will join the ranks of benedictines before locating in their respective fields of labor. Six members are candidates for the B. D. degree. The seminary commencement is scheduled for May 14.

Classes in the Christian Reformed church in America have elected delegates to the biennial synod of the denomination to be held at Kalamazoo in June. The denomination is divided into 13 classes and each class will be represented at the synod by three ministers and three elders. The routine work of the synod will include the election of two professors for the theological school, one to fill the vacancy of Rev. R. Janssen and the other as successor to Rev. F. M. Ten Hoer, who plans to retire after a service of nearly 25 years.

According to a news dispatch from the Michigan Daily, the student daily newspaper at the University of Michigan, Miss Bertha Kell, of Grand Haven, has been nominated vice-president of the University Y. W. C. A. Miss Kell is a daughter of Mr. and Mrs. Thomas Kell of Grand Haven, and is a junior at the University.

### BEET SUGAR SALVATION OF FARMERS

Declaring that home grown sugar, particularly beet sugar, affords the only competition to the so-called "sugar trust" and that American farmers ought to raise more sugar and less wheat, Charles H. Allen, president of the Farmers Sugar Co. of Defiance, Ohio, in an address before the Exchange club of Grand Haven, Mich., Monday urged the growing of more sugar beets as one of the solutions to the present agricultural problem.

"Sugar is grown, not made," said Mr. Allen, "and it takes no fertility from the soil. Chemically it is carbon and water. The beet gets the water from the rain and the carbon from the carbon dioxide in the air through the action of sunshine in the green leaf of the plant."

"Sunshine and rain are inexhaustible and America should follow the agricultural practice of Denmark, France, Germany and Belgium and raise more of such farm products as do not exhaust the soil, instead of wheat, which is low in price and hard on soil fertility."

"The United States in 1920 bought \$900,000,000 worth of sugar from Cuba—just sunshine and rain—when we just as easily could have raised here at home at a greater profit and less drainage on the soil."

Although Mr. Allen emphasized the need of conservation of America's soil for future generations, he pointed out another reason for American beet sugar production.

"A week after Ohio and Michigan beet sugar factories began to grind beets they offered sugar as far east as Buffalo at 90 cents a hundred pounds less than the price quoted on the New York sugar exchange," said Mr. Allen. "But the beet and cane sugar grown in America in 1922 was practically all sold and consumed by the middle of February and the entire supply during the summer was in the hands of the sugar trust—seven refineries in New York City and vicinity—and the price went up."

"It went so high that the housewives organized a boycott, but it had no effect. The price did not drop until within a week after the home grown crop went on the market. During the months of November, December and January the home crop will save the American people \$30,000,000 on their sugar bill. But the relief will not be permanent. By April or May the home grown supply will be gone and New York capital will again dictate on Cuban sugar."

"The late President Harding told the American people last spring that the way to reduce the high price of sugar was to grow more at home. In less than six months his policy had been vindicated."

Mr. Allen explained that only cane sugar is refined. Beet sugar does not go through a refinery process. He said Ohio beet sugar growers produced 70,000,000 pounds of sugar last year and would raise 90,000,000 pounds this year. Mr. Allen is president of a sugar company in the heart of Ohio's beet country at Defiance, Ohio. Twelve hundred beet growers are stockholders in his company.

### HOPE COLLEGE BASE BALL SCHEDULE IS NOW COMPLETE

Coach John H. Schouten has drafted the strongest schedule in baseball in Hope's history. The season will open against M. A. C. at East Lansing on April 11 and Schouten will be forced to draft his team mostly from green material. The prospects include Poppen and Albers for mound work with Riemersma at the receiving end; Van Lente, Lubbers, Doeksen and Otipoby for the infield. The athletic field on Hope's campus is undergoing a complete transformation. The grounds are being scraped, dragged and leveled and the infield is being filled with clay loam. The tennis courts also are being improved.

The baseball schedule includes: April 12, Kalamazoo Normal there; April 19, Ferris there; April 23, Kalamazoo college here; May 2, Kalamazoo college there; May 10, Grand Rapids Junior college here (tentative); May 17, Ferris there; May 23, Albion there; May 24, St. Mary's college at Pontiac; May 31, Valparaiso university there. Negotiations are being made for a game with Junior college at Grand Rapids, two games with Mt. Pleasant and one with Ypsilanti.

### COFFEE COWS AND TEA COWS

There are 3,000,000 coffee cows and 750,000 tea cows in the United States declare dairy statisticians of the United States department of Agriculture. That is to say, the quantity of milk and cream used in tea and coffee in the United States is equivalent to the production from that many cows.

Coffee consumption is about one billion pounds annually or approximately 40 billion cups. This requires 40 billion ounces of cream, the milk equivalent of which is 12½ billion pounds, or practically one-eighth the total production of milk in the United States.

Consumption of tea in the United States is practically 85 billion pounds or approximately 21 billion cups. The quantity of cream used in tea averages only one half that in coffee or one half ounce per cup, or a total in terms of milk of over 3 billion pounds.

Making liberal allowances for the use of milk in coffee and tea or of half milk and half cream, there still would be more than one eighth the total production of milk used in these two beverages. The department's survey also brought out the fact that one tenth the sugar consumed for all purposes in the United States is used in coffee and tea, the quantity thus consumed being 800 million pounds per year.

### SPANISH WAR AND WORLD WAR VETERAN DIES

Harry Dahl, aged 50, died Wednesday evening at the home of his sister at Jenison Park. He is survived by his mother, Mrs. Mary Nelson, and one sister, Mrs. Wm. J. Burt of Jenison Park. Dahl was a Spanish War veteran and he also served in the World War. The funeral, which will be held Saturday afternoon at two o'clock at the Dykstra Funeral Home, will be in charge of the Spanish War Veterans. Rev. J. C. De Vinney, pastor of the Methodist church, will officiate.

### HUMORIST CHARMS HIS AUDIENCE WITH HIS RECITAL

Taking as his subject, "Poets Wild and Tame," T. A. Daly, of Germantown, Philadelphia, delivered a very entertaining lecture-recital Saturday evening in the St. Francis school auditorium before an audience that well filled the hall. Mr. Daly paid his respects to "wild poets" at the beginning of his lecture by saying that he did not like Amy Lowell and the school of "free verse" writers, although he admitted that Miss Lowell is a very brainy woman. He recited a "free verse" poem by an unnamed author and compared it with a poem on the same subject by his little ten year old daughter, to the advantage of the latter.

The "tame poets" section of the lecture was devoted to stiches about the Irish, the Germans, the Jews, and the Italians, together with poems of Mr. Daly's own composition illustrating the ways of these different classes of people in this country. Mr. Daly amply proved that he is a humorist of outstanding power by the humorous poems he recited and he is a story teller who can get the last drop of effectiveness out of an anecdote. His address was frequently punctuated by applause and at the close of the lecture Mr. Daly was recalled a half a dozen times before the audience would consent to let him make a final ending. Each time when he stopped the audience asked for just one more story and just one more poem, until finally Mr. Daly in pure self-defense was compelled to announce that this would be the real end of the end.

But mixed in with the humorous poems and the stories was a lot of good sense showing that Mr. Daly is a thinker on present day problems. In regard to Americanization methods he made the observation that those who do the work of Americanization usually do so in a patronizing spirit; they assume that they have something to hand down to the immigrants and they forget that the immigrants have something very valuable to give to them. This Mr. Daly declared is all wrong.

In regard to the funny story that depends on considerations of race for its point, Mr. Daly declared that such stories almost always do an injustice to the race in question. The Jew is slandered by the avarice story, the German by the story of Teutonic thick-headedness, and so on. This fact, Mr. Daly declared, should always be kept in mind in telling "race stories" or in listening to them.

### ROAD IMPROVEMENTS AT FILLMORE AND NEW RICHMOND

The Allegan road commissioners received bids Tuesday for the construction of four road jobs in the county this year.

William McCann of Allegan was awarded the construction of two miles of road east of Osago toward Plainwell for \$12,450.32, one mile of new road and to gravel two miles on the Todd road in Ganges township for \$18,211.90, one mile new road near Richmond for \$9,832.21. The township of Fillmore was given the contract for one-half mile of road in that township for \$1,172.20.

### MICHIGAN EGGS, LIKE MICHIGAN APPLES, ARE THE BEST

Holland and Zeeland will be especially interested in this dispatch for the reason that here is the egg center of the State of Michigan. While Michigan apples are known the country over as being the best and finest flavored, Michigan's "hen fruit" will soon make a name beyond its borders.

Michigan eggs, entered in a national egg show held under the direction of the New Jersey Agricultural College late in March, won high honors, proving that the state's "hen fruit" is surpassed by none.

Four entries were made in the contest from the eggs being produced in the Michigan Laying Contest, conducted at the Michigan Agricultural College, and three of the four won places. The entries, which were made in the experiment station class, included two brown and two white entries.

First place in the white class, with a score of 98.5 out of a possible 100, and the silver cup for the best dozen, came back to Michigan. Second and third places in the brown egg class, from among a large field of entries, were won by the two local entries in this division.

A hundred pens, most of which are entered by Michigan breeders, are competing at M. A. C. now in the second yearly egg production contest. While the primary aim of this test is quantity production, it is interesting to know that the state eggs can also more than hold their own in quality.

### TWO BROTHERS WILL HOLD REVIVAL AT CITY MISSION

Miss Nellie Churchford, head of the city mission, has made arrangements for a series of evangelistic meetings to begin next Friday, April 11, and to continue to April 27th inclusive. L. W. Sturk of Ellsworth and J. D. Sturk of Ionia are the men who will conduct the revival. They were in Holland some months ago for a similar series of meetings and at that time they were very successful. That was the reason efforts were made to secure a return engagement from them.

They will hold services every evening except Mondays and Saturdays. Both men are fine singers and their musical numbers add greatly to the success of the meetings.

Mr. and Mrs. Jack Vanderhill and son Donald, of Holland, returned to their home Sunday, after visiting relatives in Creston last week.—Creston News.

## Michigan Railway Line

### STEAMER MEADE IS NOW IN HARBOR DREDGING 18 FOOT CHANNEL

The depth of the water in Black lake and Lake Michigan is the lowest in years. The water line at the Graham & Morton wharf is estimated at 15 feet which is about a foot lower than last year. As a result the Graham & Morton steamers are forced to make the turn near King's dock, about a mile from the wharf, to avoid going aground. When the steamer Missouri reached the Holland wharf during the early spring schedule it practically grounded in 14½ feet of water.

Jesick brothers, proprietors of the boat works at Jenison Park, stated the water level in Black lake had dropped about two and one-half feet within the past six or seven years.

The unusually low water level probably is most noticeable on the south shore line where boathouses formerly surrounded by a depth of water from two to three feet now are located on dry ground, which now extends for several feet lakeward. Last fall James Irving placed a fencepost in shallow water at Jenison Park and the shore line at this point has receded about 30 feet.

The United States dredge General Meade is now in Holland harbor doing its spring dredging making a cut of 19 feet where 18 to 15 feet now exists. After dredging in the inner harbor a fan shaped cut will be made in the outer harbor which will prevent the sand from sifting so quickly.

### MASONS ARE TO GIVE A SERIES OF DANCES

Members of Unity Lodge are making arrangements for a series of dances to be staged in the Masonic temple ball room in the near future. The first dance is to take place on April 11 and a fine program of square and round dances will be featured. There will be first class music, plenty of entertainment and a royal good time is assured.

The big May party to which dance enthusiasts are looking forward is to take place on May 8 and great preparations are being made in order to make this the greatest May party ever given by the local order. Koikowski's celebrated orchestra from Muskegon has been secured and some unusual decorations are being planned by the committee. The committee that has these dances in charge are: A. Combe, Al. Van Duren, Leslie Risto, Ed. Stephan, Frank Smith, Dick Hoover, and Bill Stephan.

John Kelley of Holland has been prominently connected with the large Rotary club convention now being held in Grand Rapids. In every city of Michigan where Rotary clubs exist a committee man was appointed called the "On to Grand Rapids committee man". Mr. Kelley was that man for Holland and judging from the large representation from here Mr. Kelley and his aids must have done excellent work. At least 60 from this city are in Grand Rapids today.

The Muskegon Classis holding sessions at Coopersville Tuesday will have several well known pastors in the Reformed church as speakers. Among them are Rev. Anthony Karremans and Rev. Bernal Mulder of Muskegon, Rev. Henry Mollema of Spring Lake, and Rev. George G. Heneveld of Grand Rapids. Attorney Christian A. Broek of Muskegon will represent the Third Reformed church of that city. All these representatives are well known here and graduates of Hope college.

Hope College reopens Tuesday after a week of spring vacation. The calendar for the remainder of the school year includes two sessions of the council, the observance of Voores day, May 8, the annual alumni session, and convocation dinner, society banquets, baccalaureate sermon and the senior commencement. The council consists of nine members appointed by the general synod and 27 members representing 14 classes in the Reformed denomination in the West. The first session will convene on April 23.

Officer O'Connor arrested Charles Buchanan, professional speedster, for going 35 miles on Columbia avenue. He was fined \$18.70 by Justice Van Schelven and Chief Van Ry revoked his license for the second time. It will be remembered that Buchanan, because of speeding, was mixed up in a wreck on River and 12th street some three months ago. He was responsible for the wreck at that time and the chief had his license revoked. A few weeks ago Buchanan begged to have his license restored on the promise of doing better. The chief had the secretary of state return the license, placing Buchanan on probation for one year. This last violation however, settles the matter and Mr. Buchanan will get no more licenses.

Daniel W. Cardow, aged 53 years, died Thursday evening at his home in West Olive. He is survived by his wife and six children. The funeral was held Saturday afternoon at three o'clock at the Nibbelink-Notter Chapel. Rev. J. H. Bruggers officiated.

Bert Siblink, driver of the Bolhuis Lumber and Manufacturing company truck, had a narrow escape from injury Friday afternoon when a Pere Marquette passenger train going to Chicago struck the rear end of the vehicle. The truck had just passed over the track when the impact came, the truck being lifted to one side clear off the track. No one was injured, nor was the truck damaged in the least, which is rather remarkable.

The M. G. R. C. girls gave a shower in honor of Miss Agnes Rhoda at the home of Miss Minnie Otting, East 5th street, Friday evening. A program of games and music was given, and the young lady who is to be a bride in the near future was the recipient of an electric ironing outfit. Those present were: the Misses Agnes Rhoda, Minnie Otting, "Betty" Verschure, "Brownie" Woodruff, Deane Beltran, Marguerite Dronkers, and Mesdames Samuel Bosch, Gustave De Vries, and Edward Oonk.

Dick Cook of Grand Haven was seriously injured near Muskegon when a big five ton truck he was driving was struck by a Pere Marquette passenger train bound for Holland. Dick Cook, the driver, Jessie and Henrietta Bush and Elizabeth Boonstra, who were riding in the cab with the driver, were taken to Mercy hospital in an ambulance, but the two Bush sisters were not badly hurt and were allowed to go to their homes. Cook's back was badly injured and the full extent of his hurts is not yet known.

Arrangements have been made for holding two services and Sunday school session every Sunday in the new chapel which has recently been built on the corner of 18th and Van Raalte ave. The services will be conducted by students of Western Seminary until the school closes in May. A student will be assigned for the field during the vacation season. It is expected that a formal organization of this church will be effected this year.

Grand Haven is also starting a campaign against speeders both in the city police and in sheriff's department. Four speeders were announced last week-end while Tuesday Herman H. Schrieber, of West Olive, Chester Conger, of Grand Rapids, and Karl Kanhout, of Grand Haven, were taken for exceeding the speed limit in the city. They were assessed the usual sum of \$8.20 for first offenses. Second offenders get five dollars additional and third offenders usually see their licenses revoked for a time according to a ruling made by the Grand Haven justices.

A very interesting piano recital was given by some of the pupils of Peter Plum at his home at 18 West 12th street, Monday evening. Monday's shipment comprised between 35,000 and 40,000 chicks to all parts of the country. The shipments will continue to increase until the peak of the season is reached several weeks hence. It is expected that the total shipments this season will approximate 3,000,000.

Bert Slagh attributes his success to hard work and a blotter scheme. While his friends worked diligently for his election as alderman, Mr. Slagh attributes a measure of his success to a unique takeoff. He sent to each and every voter in his ward a day before election a neatly printed blotter in two colors, advancing the reasons why the voter should go to the poles and vote. Except for his name he did not go into personalities, on the blotter, not even advancing his own candidacy. He simply pointed out the duty of the voter.

Holland has had a severe epidemic in all sorts of contagious diseases during the past six months, although at present there are only a few cases left, and Holland is practically clear. Approximately 500 cases of contagious diseases were listed on the records of the health department for 1923, according to figures reported Monday by City Inspector Henry Bosch. Measles led with 212; scarlet fever 130; small pox 90; diphtheria 47; pneumonia 17. There were six deaths reported because of communal diseases during the past winter.

Al. Kuiper, living east of the city, was fined \$13.90 by Justice Van Schelven after pleading guilty to a charge made by Mrs. Grada Lawrence, living at Fairbanks ave. It was claimed by Mrs. Lawrence that Kuiper was looking for his wife and inquired for her at the home of Mrs. Lawrence. Not being satisfied it seems that the neighbor lady did not know where his wife was, Kuiper grabbed her arm, it is stated, and the arrest followed.

George Little, football field coach at University of Michigan, will be the principal speaker at a banquet of Holland high alumni April 17. ## BUSINESS MAN PASSES AWAY ON SUNDAY NIGHT

Warren W. Hanchett, formerly one of Holland's most prominent business men and with a wide acquaintance here although he has spent most of his time elsewhere during recent years, died Sunday evening at his home at 807 West 12th street. Mr. Hanchett had been a sufferer with asthma for many years and this induced heart failure that ended in death.

Many years ago Mr. Hanchett acquired the C. L. King Basket factory located on the property that is now Kollen Memorial Park. He purchased this concern from Charles King of the C. L. King & Co., and conducted it successfully for many years. The time came however when it was found that the factory was too far removed from the lumber district. The logs had to come so long a distance that the transportation made the business unprofitable and it was discontinued.

Since then Mr. Hanchett has been in the lumber business buying and selling lumber. He was away from Holland most of the time although his family was here and he maintained a home here, his business taking him to various sections where lumber was to be cut.

Mr. Hanchett was 63 years old. He is survived by his wife and one son Gerard. The funeral will be held Tuesday afternoon at 3 o'clock at the home, Rev. J. C. De Vinney, pastor of the Methodist church, officiating.

L. J. Hanchett, Sr. of Chicago, and Fred B. Hanchett, of Niles, brothers of the late W. W. Hanchett, are in the city to attend his funeral. The brother-in-law of Mr. Hanchett, Paul Warren, of Chicago, is also here.

## HOWEVER, IT WAS NOT OUR MAJORIE Mc BRIDE

A brief news story printed in Grand Rapids and Chicago papers to the effect that a Marjorie McBride, known at Northampton, Mass., as "the college widow," had been arrested for forgery, has stirred up quite a bit of the usual loose talk in Holland and is doing a serious injustice to Miss Marjorie McBride of this city. It happens that Miss McBride is also in college in Massachusetts, but she is at school in a place several hundred miles from Northampton. It was so evidently a case of mere similarity of name that the Sentinel paid no attention to the story when it appeared, believing that no one in Holland who knows Miss McBride would connect her with the case.

But irresponsible street talk has been such that it has become necessary to deny specifically that the Marjorie McBride of the dispatch is Holland's Miss McBride. The woman involved in the forgery case was using the name "Marjorie McBride" as an alias.

Jac. West and R. Tromp left Friday night by auto for Chicago. They will call for Mrs. Tromp who is in Chicago and return home Monday. John Klunkenberg of the Bazaar store is in Chicago on business.

## HOT FIGHT IN FIRST DECIDED BY FOUR VOTES

### HOLLAND VOTERS ARE STRONG FOR COOLIDGE

The predictions of a light vote in the election were substantiated by the event Monday as less than one in three of Holland's qualified voters took the trouble to go to the polls. While this vote is light, it is not as light as many had expected. In view of the fact that there were aldermanic fights in only two of the wards, the vote is considered to make a fairly good showing.

The effect of the aldermanic contests is easily seen in the votes cast in the various wards. The first and third wards had by far the largest votes in the city.

The total vote cast was 1,612, while the total voting strength of Holland is between 5,000 and 5,500. The first ward cast 471 votes, the second 73, the third 390, the fourth 246, the fifth 264, and the sixth 168.

The contest for alderman in the first ward Monday was almost dramatic, so close was the race. The election inspectors in the first ward were unable to determine the result definitely until they had counted the ballots four times. They wanted to make absolutely sure that no error had been made and they wanted to guard against the possibility of a demand for a recount. So they painstakingly scrutinized each ballot four times, checked it up carefully and did not finally announce the result until every last possibility of a mistake had been guarded against.

Then it was announced that Bert Slag had won the battle by only four votes. Mr. Slag received 168 votes; Gerrit Wanrooy, received 164; and the third man in the race was George Woldring who received a total of 131. There were eight blanks and those eight could easily have overturned the result. Blanks are often the result of mistakes on the part of the voter.

A curious fact about the result is that the verdict of the primary was reversed. In the primary Mr. Slag was the last man in the race while in the election he was first, a genuine case of the last being first. In the primary George Woldring was second while in the election he came out last.

The four countings of the ballot caused the results in the first ward to be delayed until the results in most of the other wards had been determined. But the election inspectors believed it was better policy, in view of the closeness of the election, to be slow but sure and thus prevent a possible recount.

In the third ward, the contest was between G. M. Laepple and Martin Vander Ble. In that ward the fight was not as spirited as in the first. Mr. Laepple's vote was 231 and Mr. Vander Ble polled 146 votes.

John J. Rutgers and Edw. Vandenberg were elected members of the board of supervisors at Monday's election in Holland, defeating John J. De Koeper and S. W. Miller. Rutgers' vote was 843, Vandenberg's 696, De Koeper's 672, and Miller's 557. The vote by wards follows:

	1st	2nd	3rd	4th	5th	6th	Total
DeK. Miller V.D.B. Rutgers	157	193	173	264	264	168	672
2nd	36	31	85	27			557
3rd	151	17	162	203			696
4th	112	84	136	107			639
5th	124	72	112	155			663
6th	92	30	78	105			505
Total	672	557	696	843			2768

President Coolidge is Holland's choice for the nomination for president on the Republican ticket and Woodbridge N. Ferris is this city's choice for president on the Democratic ticket. Coolidge received a total of 1085 votes in this city, while Hiram Johnson received 256, giving Coolidge a margin of 829. The third man in the race on the Republican side was William G. Simpson who received a total of 32 votes.

On the Democratic side W. N. Ferris received 112 votes, beating Henry Ford by ten, Ford's total vote being 102. William Jennings Bryan and President Coolidge each received one vote on the Democratic ticket, while William Gibbs McAdoo received two votes. These names were written in the blank spaces on the ballot left for this purpose.

In the state as a whole, President Calvin Coolidge will have the votes of the 33 Michigan delegates to the Republican national convention in June, according to the returns in so far.

In a victory which seems from the somewhat scattered and incomplete returns to be most overwhelming, President Coolidge has won a personal endorsement of more than ordinary moment. In Michigan nothing has been done on behalf of the president's candidacy. Sufficient names were secured to place his name on the Republican ballot and then he was left to sink or swim with no more assistance from anywhere than the newspapers gave him because they believed in him. No organization was put up for him and the strength he gained was due to the fact that while the sort of press acceasing that is now coming out of Washington is not altogether complimentary to the Republican party, it does show the president standing out alone as above reproach. That is what has apparently won him a splendid victory in Michigan.

Almost every county to report last night showed Coolidge running ahead. Four years ago it was Wayne county which finally landed the Michigan delegation for Johnson, but the returns which came in in early Tuesday morning from Wayne showed Coolidge getting on famously.

## FORMER HOLLAND MAN NAMED MAJOR OF FREMONT

Dr. Herman Stobbe, formerly of Holland, was elected mayor of Fremont Monday. Dr. Stobbe attended Hope College a few years ago and he is still a very young man for such an important position. After leaving Hope and taking his degree in dentistry at the University of Michigan he practiced in Grand Rapids for a short time and then located in Fremont where his rise has been rapid politically. He has been prominent there as a leader in the noonday luncheon club and in the chamber of commerce holding the office of president. He has made Fremont come to the front of 250.

Mr. and Mrs. A. M. Calentine and family visited in Muskegon Sunday afternoon.

## COOLIDGE AND FORD WIN IN LAKETOWN

Laketown, altho well supplied with township ballots, ran short of primary presidential ballots sent out by the state. In Laketown, Coolidge received 109 votes, Johnson 8, and Simpson 5.

There were 9 democratic votes cast, 5 going to Henry Ford, and 4 to Ferris.

There was only one ticket in the field in Laketown, but Albert Alferink, former township clerk who was defeated at the caucus by an unexpected opposition, defeated Herman Van Oss by passing out slips. After the votes were counted Monday evening it was evident that Alferink slipped in by a substantial majority, the vote being Alferink—82; Van Oss—61.

The following are the township candidates who were elected:

Supervisor—Gerrit Heneveld; Clerk—Albert Alferink; Treasurer—Henry Van Oss; Highway Commissioner—S. B. Wolters; Overseer—Jake De Pree; Overseer—George Gruppen; Justice of the Peace (full term)—Harm Bouws; Member of Board of Review—Taal Brinks; Drain Assessors—John Beckavort, Sam Lindborg; Constables—J. H. McCormick, John Meyerink, John Essenburg, Albert Meyer.

## "LIFE OF EDISON" SHOWN AT BUSH AND LANE PLANT

Another motion picture for the employees was given at the Bush and Lane factory on Monday evening. This time the picture was the "Life of Thomas A. Edison," showing the career of the great inventor from the start to the present day. The picture was very instructive and also, very interesting. A large number of employees came to see it. The Bush and Lane company from time to time gives free exhibitions at the plant which have proved very popular.

## COOLIDGE WINS OUT IN HOLLAND TOWNSHIP

There were 153 votes cast in Holland township Monday and in the presidential primaries president Coolidge wins by 90 majority on the Republican ticket.

There were only a few democratic votes cast Ferris winning over Ford by a small margin.

There was only one township ticket in the field electing the following officers:

Supervisor—John Y. Huizenga; Clerk—Charles Ellender; Treasurer—John Ellender; Highway Commissioner—Henry Plaggenmeyer; Justice of the Peace (Full Term)—Henry Van Lier; Board of Review (Full Term)—John P. Kles; Constables—Rinck Van Til, Peter Kuyers, John R. Bouws, Albert Diekema.

## REGULAR TOWNSHIP TICKET IS ELECTED IN PARK

The following townships ticket was elected in Park township:

Supervisor—George E. Heneveld; Clerk—Arthur M. Witteveen; Treasurer—Ben. Van Lente; Highway Commissioner—Fred Van Wieren; Justice of the Peace—William Heintz; Member Board of Review—Bert Van Lente; Constables—Albert Kuiper, Dick Miles, R. C. Jackson, Edwin Whaley, sr.

On the presidential primaries president Coolidge received a substantial majority over Hiram Johnson. There were only a very few democratic votes cast.

## NEW PACKING COMPANY ORGANIZED IN THIS CITY

Holland will have a new meat packing company to be known as the Holland Packing Co., and which will be headed and managed by Mr. Roy Ashley, popular athlete and business man.

The plant will be located at 212 W. 14th St., which was formerly occupied by the Holland Packing House. The plant has been redecorated and generally put in first class condition and is now equipped to furnish the butchers herabouts with the finest of meats, poultry, cuts, and smoked meats. This will enable the people of Holland to buy their meats and poultry which have been dressed and handled by the most sanitary and latest methods right here in Holland, as the firm will secure practically all of their live stock from the country herabouts.

Mr. Fred J. Hieftje, who has been a wholesaler and shipper of live stock in this vicinity for the past thirty years, is also connected with the company, and will take an active interest in its management.

The company opened for business on Monday, April 7th, and Mr. Ashley has cordially invited all of his friends and all of the butchers here to inspect the plant, which he is sure will meet with their approval. It is expected that this will become one of the leading meat packing companies in western Michigan, in the very near future.

## TABOR CONSTRUCTION CO. GETS DECISION IN CIRCUIT COURT

The Tabor Construction Co. who had filed suit against the Glover & Son Paving Co. of Holland for \$4160 claiming this amount was due them for work done on Holland streets with a large steam shovel was awarded the entire amount by an Ottawa county jury.

Mr. Glover, however, is not satisfied and says he will carry the case to the Supreme court and still higher if necessary.

Atty. C. P. Campbell represents the Tabor interests, while G. F. Lovelace is handling the affairs of Mr. Glover.

Mr. Glover formerly had his offices in Muskegon, but lately transferred them to Holland having made his home here.

The regular meeting of the American Legion Auxiliary has been postponed to Friday evening, April 11, because of the joint Parent-Teachers meeting Wednesday night at the high school. An intimate and personal glimpse of our immediate community's needs and conditions will be given by Miss Nellie Churchford—Holland's loved worker and forceful speaker, who will discuss conditions in Holland with which she is familiar.

This meeting has been planned to be especially interesting and beneficial since it marks the raising of the membership from 90 to 125. This is the direct result of the membership drive just ended but applications for membership are still coming in and are welcomed. At Friday's meeting the losing side is standing treat after the program and business meeting. This social time will serve also as an opportunity for the introduction of old and new members.

A. Vos of Vos Electric shop was in Grand Rapids today on business.

## SPEED COP BONTE. KOE IS NOW BUSY

The police department is now all set for the speeders. Speed cop Bontekoe having his motorcycle all oiled up, ready to "scout" after the violators. Chief Van Ry asks the co-operation of every driver in the city and if he gets that there will be little trouble. The veteran chief issues his annual "don't" column to motorists and while he could list a great many more "don'ts" he says these are the ones that should especially be followed.

They are common sense rules and by following them the motorist not only protects the pedestrian but himself and his property, as well. The "don'ts" are:

Don't drive to the left of a street car going in the same direction. Don't drive faster than 10 miles an hour when closely approaching a pedestrian or going past a school.

Don't drive at more than half the legal rate of speed when entering an intersecting street.

Don't drive a vehicle when it is not under control.

Don't pass by a street car that has stopped to receive or discharge passengers.

Don't violate the rule that vehicle on the right has right of way.

Don't turn a street corner in manner endangering the safety of pedestrians or property.

Don't drive faster than a walk into or out of an alley over a sidewalk, or crosswalk.

Don't double park on any street.

Don't park near a fire hydrant.

Don't operate an automobile with faulty brakes.

Speed limit—15 miles on business st. 20 miles on residence streets.

These rules will be strictly enforced.

Only a few motorists apparently remember their license numbers according to the police. A good many motorists have their license numbers written down. If a car is stolen or lost they usually have to go home to obtain the license number or else wait until the next day and obtain the number from the police records.

## ZWEMERS TO MAKE TRIP THROUGH MISSION LANDS

Rev. Samuel M. Zwemer, D.D., and Mrs. Zwemer are to be away from Egypt until the early part of September on a tour which will take them as far east as India. Their itinerary will be as follows:

April 3-8, General Missionary Conference at Jerusalem, held under the auspices of the International Missionary Council.

April 9-12, Travel to Bagdad, Mesopotamia.

April 12-20, Conference at Bagdad.

April 20-May 1, In Bahrain, Persian Gulf. Meetings with missionaries.

May 20-June 1, Travel to India.

June 1-August 2, In India. Conferences and meetings with workers.

August 20-September 5, Return journey to Cairo, Egypt.

## BOND ISSUE CARRIES MONDAY IN GRAND HAVEN

The \$50,000 bonding proposal for the erection of a modern concrete bridge on M11 between Grand Haven and Ferrysburg carried in Monday's election by a large majority. Gr. Haven also voted to finance a schedule of weekly band concerts.

## WESTERN THEOLOGICAL SEMINARY GETS \$2,000

THRU WILL nary has been named as beneficiary for \$2,000 in the will of Dr. C. D. E. Steinhilber, who left an estate of about \$75,000. The bequests include \$5,000 each for the boards of foreign missions, domestic missions building fund, board of education, board of direction of general synd and the disabled ministers fund; \$3,000 for New Brunswick seminary and \$2,000 for the widows' fund in the Reformed denomination.

## MANY LISTEN TO JUBILEE SPEAKERS

A good sized audience gathered Tuesday afternoon in Trinity Reformed church to attend the rally in the interest of Jubilee fund of the women's boards of foreign missions. All the women's societies of the Reformed churches of Holland were represented, as well as one or two of the churches outside of the city.

An address was given by Miss Katherine Green, missionary from Amoy, China, on "Our Opportunity in China," and by Mrs. James Wayne on "Our Golden Jubilee." Both addresses were for the purpose of giving information about the cause, and arousing enthusiasm for it. Miss Cornelia Netting sang a solo and a ladies' quartet sang a rally song.

## IS AWARDED SCHOLARSHIP AT UNIVERSITY OF MICHIGAN

Leonard De Moor, senior at Hope college, has received word from the Dean of the graduate school at the University of Michigan that he has been awarded the Regents' scholarship for next year. Mr. De Moor has accepted the scholarship and will take up work in philosophy with some additional history.

Mr. Peter De Vries was awarded the scholarship last year and he is at the university at present.

## FLYER WHO GAVE AN EXHIBITION HERE KILLED IN FALL

Lieutenant Theodore S. Van Vechtan, the flyer who on the occasion of the wedding of Willis A. Diekema last fall flew over Holland in his plane and gave an exhibition to the people of this city of his skill as an aviator, was instantly killed Tuesday when his plane fell 2,000 feet near Dayton, Ohio. An announcement of his death was printed in this morning's issue of the Chicago Tribune.

Lieut. Van Vechtan's exhibition over Holland last fall was the most thrilling one ever seen here. He did all kinds of stunts in the air that made people gasp and was watched by thousands here. He was a member of the Diekema's company in France and flew to Holland from Dayton on the latter's wedding day.

## FIRST SECTION OF FLY- ING SQUADRON BUSY

This week is the week when the first committee in the Salvation Army drive for \$1,500 gets busy on advance gifts. Chairman Charles Karr of the Holland Furnace Co. together with Sears McLean of the Holland St. Louis Sugar Co., and John Koelker of the Scott-Lugers Lumber Co., have been formulating plans and this committee has sent out an appeal in the form of a letter, which will be received by all the philanthropic citizens of Holland who are well able and also willing to lend this cause a help-

ing hand.

These appeals were mailed Wednesday morning and should now be in the hands of those for whom they were intended. A ready response will be appreciated especially before the week is out, for it will be remembered that the business section will be canvassed next week, the house to house canvass will follow the week after, and it is therefore desirable that the advance gift committee clean up its work, enabling them to know where they stand by Saturday night, in order that the next committee can carry on where they left off. This year each district has a different committee taking part of the burdens which not only will make the task less burdensome, but it will create a friendly rivalry to make a good showing.

It is needless to go into details here, as to why Holland and Ottawa county should support the Salvation Army. Right in our midst nearly a dozen young girls who had taken a step from the path of morality and who had to be taken care of for months, were given a home by the salvation army at Grand Rapids, and were brought to the realization of what life really had in store for them if it were lived in a truly righteous manner. These girls who fell because of ignorance are happy today because there was a Salvation Army to guide them.

Some of them are now, happily married, others are employed, living in decency and are now respected by their companions. These instances mentioned from Holland and vicinity alone are taking place during 1923. Are only a few of the wonderful things that the Salvation Army accomplishes.

The idea formerly prevailed that the Salvation Army was a bunch of ass-drum-pounding, tambourine-swinging street preachers; simply that and nothing more. But we learned during the war and in increasing measure ever since that it is the most efficient and self-sacrificing philanthropic organization that the world has ever seen. This accounts for the unbounded public confidence which it enjoys.

The personnel of the different committees follows:

Advance gift committee: Charles Karr, Sears McLean, John Koelker. Business district: John Van Tatenhove, Milo De Vries, Alex Van Zanten, Joe Koelker.

House-to-house canvass: Mrs. Gertrude Boer, Mrs. Abel Smeenge, Mrs. P. Ihrman.

Outlying districts: Nick Kammeraad, Wm. Deur.

Next Monday evening is the date set for the meeting of the managers of the twelve baseball teams in Holland's Factory league and City league and at that meeting rules to govern the season's play will be formally adopted. At an informal meeting held Monday night of this week these rules were talked over and many suggestions were made that will be incorporated in the body of regulations to be submitted formally for adoption. When passed by the managers, the rules will be submitted to the board of directors for their approval.

It has now been definitely decided that there will be twelve teams in the two leagues this summer and the schedule will be made out on that basis. At first it was thought that there might be two more teams but twelve seems to be the number that will stick.

John Vandersluis will be the "Judge Landis" of Holland city league baseball this summer. In other words, Vandersluis will be the ball czar of the city so far as the factory league teams go. He will have no jurisdiction over the Independents, a separate organization, but as chairman of the board of directors of the city league teams he will have general supervision over the "twilight games." Vandersluis has always been an ardent baseball fan and he has always taken a deep interest in the baseball activities of the city.

The nineteenth street grounds will be in shape for the games when the season opens and for the first time in

## An Exceptional Value!

It requires no technical knowledge of automobiles to appreciate the outstanding value of the Ford Touring Car.

Not only is it the lowest priced five-passenger car on the market, but it is also a car that costs little to operate, little to keep in condition and has an unusually high resale value after years of service.

All Ford Cars are sold on convenient deferred terms, or may be purchased under the Ford Weekly Purchase Plan.

years the factory leagues will have a place where they can play without having to sandwich their games in between the games of the Holland Independents. The grounds will not be converted into a splendid baseball park this season but they will be serviceable and eventually it is believed that a real ball park will grow out of the movement begun this spring.

Just before the close of college for the annual spring vacation the different societies on the Hope campus held elections and chose their leaders for the spring term. The Y. M. C. A. officers are elected for one year and they are as follows: President, Fred Yonkman; Vice President, F. Steggeda; Secretary, D. Kinney; Treasurer, T. Essabagger. The president of the organization has also appointed the following men to serve on his cabinet: Personal work, Jack Bloouw; Missions, Richard Mallory; Social, Van Maat; Conference, A. Schaafma; Gospel teams, Paul Gebhard; Membership, Roy Natness; Publicity, Frank Huff; Sunday school, G. Heemstra; Prep Representative, B. Vreedevoogd.

The officers of the Y. W. C. A. are: President, Agnes Bulkema; Vice President, Amanda Zwemer; Secretary, Adelaide Borgman; Treasurer, Bertha Van Eldic; Undergraduate Representative, Mary Pieters.

The Sorosis Society will be led by the following officers: President, Col. umbe Bosch; Vice President, Natalie Reed; Treasurer, Ruth Nibbelink; Secretary, Adelaide Borgman.

Addislian election resulted as follows: President, John Minema; Vice President, J. Vander Ploeg; Secretary, H. Nyboer; Treasurer, G. Brumms.

The Fraternals chose the following officers: President, Ray Doekson; Vice President, Paul Van Verst; Secretary, D. Yntema; Treasurer, H. Albers.

Knickknocker officers are: President, O. Vencklassen; Vice President, H. Wierks; Secretary, W. Roofgarde; Treasurer, H. Neville.

The Cosmopolitans chose: President, H. Damstra; Vice President, B. Kemper; Treasurer, C. Hospers; Secretary, A. Dalmeiz.

It was a gala day at Hope College with the opening of school this morning when Hope's orators who took part in the national contest at Peoria, Ill., appeared at chapel with their coach, Dr. J. B. Nykerk. Their appearance was a signal for a great outburst.

After the regular devotions, Dr. Nykerk told of the contest, not forgetting the successes for Hope and in turn introduced Simon Heemstra, the winner, Harvey De Weerd and Miss Nelle Koke who won enviable places. Each in turn gave a short response. Mr. Heemstra displaying the gold medal, his reward for winning. He also took back with him the loving cup which he presented to Hope College.

Dr. Dimment, in a few words of praise, heartily accepted the gift and congratulated Mr. Heemstra upon his success, as well as speaking words of praise and encouragement to the other contestants.

Because of Hope's representative winning, the loving cup goes to the school of the winner. Had a representative from another school won the national honors, the college that contestant represented would be the institution to receive the cup. In this case Hope was the recipient according to the rules, its representative having won the highest honors.

## IN MEMORIAM

In loving memory of our dear father, D. J. Nyland who died two years ago today, April 5, 1922.

Often we pause and think of you and think of how you died; To think you could not say goodbye before you closed your eyes. We know that you have entered sweetly into rest.

And God's own plan was for the best.

Lovingly,

THE CHILDREN.

## G. J. DIEKEMA AND THE SALVATION ARMY

Hon. G. J. Diekema gives his reasons in a nut shell why an organization such as the Salvation Army has proven to be should receive our support cheerfully and unstintingly.

Mr. Diekema says: "The helpless need our help. The down and out need our support. The fallen need our uplift. The erring need our direction. All of this is the special work of the Salvation Army, and unparalleled success has crowned their work. In peace and war the Salvation Army shines."

The Girls' Athletic Club will meet this week Wednesday evening instead of Tuesday. The place will be announced in tomorrow's paper.

## THOUSANDS SEE UNVEILING OF VAN RAALE MONUMENT

The year 1926 was an epochal year. The Sesqui-centennial of the signing of the Declaration of Independence was celebrated throughout the country with great enthusiasm. In Philadelphia, the cradle of American liberty, a great international Exposition was held which surpassed in splendor any world's fair that had ever been staged. From coast to coast, and from the Great Lakes to the Gulf a wave of patriotism spread over the people and everywhere cities and towns vied with each other in commemorating the birth of the Republic. Yet nowhere in all the broad land was the event celebrated with greater eclat than in the city of Holland, the people of Lake Michigan. Because nowhere could more glorious traditions be found to embellish the history of the nation. Was not this the 50th anniversary of the death of its great leader and founder? Was not this also the 60th anniversary of the founding of its famous institution of learning Hope College? Small wonder that Holland did celebrate and had started to prepare for the event two years before by raising \$25,000 to erect a monument for Dr. A. C. Van Raalte, its founder. A great day it was never to be forgotten. Never before had the city contained such an immense concourse of people. The magnificent new hotel, the Warm Friends Tavern, was filled to overflowing. The two branches of the church of the Fathers were both holding their synodical sessions within its borders. From everywhere the people came, by interurban and auto, by airplane and boat, while the P. M. was proud to land its quota at its splendid new depot.

It was a glorious June day. The National colors displayed everywhere in riotous profusion were fanned by a gentle breeze. At daybreak the Home Guards left the armory and awoke the echoes with a battery of guns. At 8 o'clock the different divisions began to arrive for the grand parade. By an almost superhuman effort the officials succeeded in getting everyone in line and the start was made on schedule time 10 o'clock. And oh what a grand spectacle it was. In line of march thru the city's beautiful streets was one great ovation. To describe each division in detail would be well-nigh impossible. Suffice it to say that the pioneer, the municipal, the industrial, the educational, the religious and the social life of the city were perfectly depicted and the pageant surpassed in grandeur anything before attempted in this part of the State.

At 10 o'clock the crowd began to assemble in the city's beauty spot rechristened Van Raalte-Memorial Park and massed around the veiled monument in the center. At 2 o'clock the exercises commenced. The mayor of the city presided over the meeting. The President of the Christian Reformed Synod led in prayer. The President of Hope College read the Declaration of Independence. Then a grand chorus of 500 voices began to sing softly the Unveiling Song. As they sang their voices slowly increased in volume, step by step the crowd grew until finally it burst forth into a grand volume of song and the words unveil, unveil rang out over the multitude. Then the aged daughter of the great pioneer pressed a button and the silken flag fluttered to the earth disclosing to view the beautiful statue of the intrepid leader, Dr. A. C. Van Raalte, flanked on either side by a group representing his brave people. A hush of awe for a moment overwhelmed the multitude and then a mighty shout of acclaim spontaneously arose from the thousands of throats. A dedication poem was read by a well-known poet, and the city's orator delivered the oration. The exercises were closed with prayer by the President of the Reformed church Synod.

At four o'clock a ball game was played between the Holland Independents and a strong outside team. No other sports were permitted as not being in keeping with the spirit of the day. After supper a band concert was staged and when night fell the crowds turned to Kollen's Park to view the grand display of fireworks. After a few rockets and bombs the first set piece was touched off showing Dr. Van Raalte's log church, bringing to mind the pioneer days.

Th next piece was an American flag and, behold, it was a dream.

### THE DREAMER

There are many dreamers who dream. Joseph with the coat of many colors is called a dreamer by his brothers, because they had to eat out of his hands.

Columbus who discovered America was "dubbed" a dreamer in the country of his nativity, but the dreams of Columbus will make possible the dreams of the dreamer who sent in this article.

Jules Verne was considered a "nut" in his day when he wrote "20,000 Leagues Under the Sea" and "Around the World in 80 Days," but the submarine, Verne's idea was made a possibility years afterward, while Nellie Blay encircled the globe in ten days less than did Verne's hero, and it is being done much faster today.

The above dreamer, however, shows considerable spirit in his celebration having to do with the unveiling of the monument dedicated to the father of Holland.

We know, however, that this matter has been very near his heart, as it should be near to the hearts of every man, woman, and child who today in this beautiful city are reaping the benefits wrought through the hardships and suffering of the early pioneers headed by Dr. Van Raalte. We sincerely hope that the dreamer's dream may be realized even in a greater measure than he portrays in his word picture, for the collective reasons given for this celebration surely warrant a demonstration such as Holland has never seen before.

## MAKES SPECIFICATIONS FOR FINE NEW ORGAN

The Jefferson Avenue Presbyterian church, Detroit, of which Dr. A. C. Zuideema, formerly of Holland, is organist, has just closed a contract with the Skinner Organ company, of Boston, for a large four-manual and echo organ to be installed in the new church auditorium now under way. When completed the new organ will rank with the finest in the middle-west, and will be known as the Dodge Memorial organ, as it was donated by Mrs. Dephine Dodge Cromwell and Horace E. Dodge, Jr., in memory of their father, Horace E. Dodge. Specifications were drawn by Dr. Zuideema in consultation with Mr. Wm. E. Zeuch vice-president of the company, and calls for seventy-five speaking stops, twenty-seven couplers, and forty adjustable combinations. The cost will be \$50,000.

## GETZ OFFERS \$100 FOR CONVICTION OF "MEANEST MAN"

George F. Getz is anxious to help bring to justice the person who scattered shingle nails on the concrete road north of Holland. He is so anxious to do this that he is willing to give \$100 to accomplish it, as set forth in the following letter:

"I notice in the Sentinel of March 25th headed 'Meaneest Man in Ottawa County,' where Mr. Harrington, chairman of the Ottawa county road commission, has offered \$100 to any one furnishing evidence that will lead to the arrest and conviction of the guilty party scattering shingle nails over the concrete road north of Holland.

"I want to add another \$100 to that of Mr. Harrington. I think any person who is mean and vicious enough to do a thing of this kind should spend part of his life behind the bars and personally, I would assist in putting him there even if it costs more than the amount offered. "I sincerely hope this party may be caught and punished and given the severest and extreme penalty of the law."

### IS STILL IN SAME BUSINESS AS BEFORE

G. Buis, new manager of the Holland theatre, is still conducting his upholstery business as usual at the corner of 14th street and Columbia avenue. Mr. Buis took over the theatre when the lessees failed and some of his patrons seem to assume that he has discontinued his regular business. But he is at the old stand and is taking care of his customers as before.

## DISPOSE OF NEARLY 900 BOXES OF CANDY

Saturday all day was opening day at the new Service and Accessory station of Stevens & Glerum on East 8th street.

Recently the firm moved into the commodious quarters erected by the Vandenberg Bros. Oil company and in an announcement invited motorists of Holland and vicinity to inspect the new place, and every purchaser who gave the new station the "once over" and purchased a dollar or more in merchandise would be presented with a half pound box of candy.

Monday morning in taking an inventory of the candy stock the local company found that they had disposed of practically 900 half-pound boxes of sweets, which would indicate that there are a large number of sweet-tooths even among the motorists.

Among the customers for the day there were not a few women who took advantage of this bargain fest which is rather unusual, considering that the bargain was connected with oil tanks and auto accessories. Anyway, according to Mr. Stevens the opening day was a great success, in fact surpassed all expectations. In speaking of the day Mr. L. O. Stevens of the company says: "I attribute the success of the opening directly to newspaper advertising. Our announcement appeared in the Holland City News on Thursday and Friday and the number of boxes of candy we disposed of is the answer. We kept tab on the motorists who came and we figure that one-third of all those who have taken out a license in Holland and from the rural districts came either to purchase and take away a box of candy, or came just to look over our new plant and wish us success. A large number of them naturally did not purchase but came simply to see what we had. "The number of automobile owners from the country districts was especially large which is unusual considering that the highways in the rural districts have been bad of late.

"We are more than pleased with the kindly spirit shown us and thank the motorists for the interest displayed in this our opening."

### PURCHASE NEW STORE BUILDING IN ZEELAND

H. Claver & Co., composed of Henry Claver of Zeeland and J. S. Dykstra of Holland, have purchased the store building of Jacob Meebor on the corner of Main and State streets in Zeeland where they have conducted an undertaking business during the past three years. They are making some extensive improvements on the building.

### BURGLARS STEAL \$300 FROM ALLEGAN HIGH SCHOOL

Burglars, who during the week-end gained entrance to Allegan high school by smashing through three doors, knocked off the combination of the safe. Whether they took approximately \$300 which was in the safe cannot be determined as without the combination the safe cannot be opened. The high school at Plainville also was robbed but the amount of money taken was not determined.

### ALLEGAN COUNTY ROAD BIDS HAVE BEEN LET

The board of county road commissioners of Allegan county met to open bids. It was a great day for W. H. McCann, who secured every contract in competition with twenty-two other bids. The Center Line road in Fillmore was reserved for further consideration. The River road in Manlius was let for \$19,832.25, the Todd road in Ganges for \$18,211.90 and the North Otsego road for \$12,668.78. The bid of Smith & Jackson of Plainville, in the sum of \$81,399.68 for work on M-89-5 will be recommended to the state highway department. All the roads let are to be completed by December 1. Contracts with the state for maintenance of trunk-line roads were signed, but some work, particularly dirt laying, will have to be curtailed this year because of the reduction made by the state in the amount paid for maintenance.

### MYSTERY SEEN IN SINKING OF SMALL STEAMER

The little steamer Anna C. Wilson, tilted almost on her side in the Manistee river, awaits a diver who is to arrive from Muskegon to find out what let the water into her. The craft was being prepared for the coming season and government inspectors were to have gone over her but daylight Friday morning found her on the bottom of the river and tipping dangerously outward.

A gang was immediately assembled and with chains and cables she was fastened so that further tipping was impossible. The boat is owned by the J. A. Morgan Transportation company, of Traverse City, but has been harbored here the past winter. It is believed she sank because workmen left the sea cocks open, though it is still considered possible that she may have sprung a sudden leak or burst a pipe.

## PROF. J. JANS HELDER IS COMING TO HOLLAND

Prof. J. Jans Helder, who some 15 years ago conducted very successfully the largest permanent male chorus ever known in this city, expects next fall to organize one even larger. Citizens of that time will remember the Wagner Chorus as a leading musical organization in this city.

Nearly a hundred members constituted the chorus and twice a year an excellent concert was staged at Carnegie Hall. Annually the chorus would also make its pilgrimage to Grand Haven, singing in one of the large churches there.

Mr. Helder has been in the city for some time making his arrangements to start a class in voice culture, coming one day a week. He has already met with considerable encouragement and when the class is organized the forming of the male chorus will begin.

Since it has been made known that Mr. Helder intends to organize a male chorus, many of the members of the former Wagner chorus, including John Vander Sluis, have become enthusiastic, and there is no doubt that such a class can be organized in this city.

Mr. Helder stated that Holland is blessed with a great deal of musical talent. There are a great many fine voices in this city, both male and female, in fact more than can be found in most other cities of this size.

Mr. Helder has high hopes of organizing a chorus of at least a hundred, and with the co-operation of the music lovers, he feels that this number is not far out of the way.

Mr. Helder is well known in Holland not only as a great teacher but also as an accomplished vocalist. He has appeared in public here on many an occasion and his interpretation of classical music is indeed wonderful. A natural born musician from youth up, he has exerted his efforts along these lines, studied under the great masters of America and Europe, and first opened a studio in Los Angeles, California.

Later he came to Grand Rapids, securing quarters in the Gilbert building where his studio is still located.

He also had studios in Holland and Kalamazoo at that time. Church and chorus work however occupied so much of his time that he had to discontinue some of his classes outside of Grand Rapids.

Having given up the arduous church and chorus work in the future city he again intends to come to Holland for a part of each week.

Mr. Helder during his youth was a local boy, his father conducting a shoe store on River avenue in the building now occupied by the Ebelink Flower shop.

The family moved out west where Mr. Helder's musical career really began.

## PIONEER DIES AT AGE OF SEVENTY-THREE

Mrs. Herman Bishop, aged 73 years, died Friday at her home in Noordeloos. She is survived by five children: Mrs. John Veldheer, Henry Bishop, Mrs. Herman Damson, Mrs. George Bartell, and John Bishop.

Mrs. Bishop was one of the pioneers of this community, having lived here for 66 years. She was present at the first service held in the present 9th street Christian Reformed church.

The funeral was held on Tuesday afternoon at 1:30 at the home in Noordeloos and at two o'clock at the Noordeloos church, Rev. Mr. Zeuch officiating.

### HOLLANDERS CAUGHT IN IMMIGRATION NET

Five Hollanders two of them women, are being held at Detroit on charges of violating the United States immigration law following seizure late Saturday night, by members of the harbor masters' crew of a launch in which they were being smuggled across the Detroit river. A rowboat, being towed by the launch and which was cut adrift when the officers came aboard, the launch was recovered and found to contain 50 cases of Canadian beer.

## MARCH WINDS FAIL TO LIVE UP TO USUAL CUSTOM

The month of March, 1924, at the Ottawa county weather bureau, was practically normal with respect to temperature and precipitation, but seemed relatively mild, due to the almost complete absence of high winds and raw, blustery days which have so long been associated with the month. The mean temperature was 30.9 degrees, which is 0.3 degrees below the normal. The month was made up of several alternating periods of warm and cold weather, but the departures were generally small, and the temperature for the month as a whole was unusually uniform. The highest temperature, 47 degrees, was noted on the 27th, while the lowest, 13 degrees occurred on the morning of the 15th. Both these extremes are well within the records of previous years.

Precipitation was slightly deficient, the total being 2.40 inches, as compared with a normal of 2.51. Snow to a depth of 9.6 inches fell during the month, the greater part of it coming during the first ten days. The ground was practically free from snow after the 5th, except for remains of drifts, or in sheltered places on the heavily wooded north slopes. Sleet fell with rain on the 25th and 29th, but amounted to only a trace. The greatest 24-hour precipitation occurred on the 28th and 29th when 0.64 in. was recorded.

Sunshine totalled 144.7 hours or 39 per cent of the possible amount. This is considerably below the normal sunshine for March at this station. Perhaps the most remarkable feature of the month was the light wind movement, the total being only 7,599 miles, an average of 10.2 miles an hour. This is the smallest total movement on record for March at this station, the lowest previous record being 7,724 miles in 1898. The highest wind velocity for the month was 37 miles an hour from the west on March 6th. Other dates when the station verifying velocity of 36 miles an hour was obtained were the 7th and 29th.

Lake Michigan was generally free from ice as far as the eye could see throughout the month and steamers made their regular runs without any difficulty. The first thunderstorm of the season occurred on the 28th ushering in a storm of rain, sleet and snow that lasted until the morning of the 30th. This storm, which was very severe in some sections of the county, did no damage in this locality, the bulk of the precipitation being in the form of rain.

## GIVE SURPRISE FOR NEWLY WEDDED COUPLE

A surprise party was given Thursday night at the home of Mr. and Mrs. John Hesselink, about a mile east of Holland. Mrs. Hesselink was formerly Miss Katherine Jansonius, of Ackley, Ia., where the marriage took place recently. The pair have just returned home and the surprise was in the nature of a welcome home for Mr. Hesselink and a get-acquainted party for his bride. Incidentally it was also a farewell party of Mr. and Mrs. Brink, who have been living with Mr. Hesselink and who have moved to another community. Mrs. Brink was Mr. Hesselink's niece.

About 40 were present. Refreshments were served and games were played. Those present were: Mr. and Mrs. H. Plaggenmeyer, Mr. and Mrs. W. Vanden Berg, Mr. and Mrs. H. Vanden Berg, Mr. and Mrs. G. J. Duer and daughter, H. Duer, W. Venhuizen, P. Venhuizen, P. Dogger A. Elferink, Mrs. S. Dykstra, Mr. and Mrs. B. Lemmen and children Mr. and Mrs. S. Pas, Mr. and Mrs. J. Hoelken, and children, Mr. and Mrs. J. Pas and daughter, Mr. and Mrs. J. Hoeksema and daughter, Mr. and Mrs. A. Wilterdink and daughter, Mr. and Mrs. E. Wilterdink.

Earl Kardux of Chicago is spending a few days with his parents on the North Side.

### COMMON COUNCIL

Holland, Mich., April 2, 1924. The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Stephan, Alds. Blue, Kleis, Drinkwater, Brieve, Laeppe, Kammeraad, Brinkman, Peterson, Wickerink, Dykstra, Sprang and Vander Hill, and the clerk.

The minutes of the last meeting were read and approved.

### PETITIONS AND ACCOUNTS

Clerk presented a communication from Dr. R. H. Nichols stating that the 12th St. Sewer at Pine Ave. was not of sufficient depth to connect the basement of the home he proposes to erect at said location and petitioned for permission to make connections with the Pine St. Drainage Sewer for roof water, basement floor and laundry tub drainage.

Referred to the Committee on Sewers, Drains and Water Courses and City Engineer with power to act. Klompars & Meppelink applied for permit to construct a store building, 20x50 ft., of Duntle, Brick and concrete at an estimated cost of \$4500.00 at the northwest corner of Columbia Ave. and 17th St., and presented signatures of adjoining property owners stating that they do not object to same.

Granted. Wolverine Adv. Co. petitioned for permission to remove a building from 149 E. 8th St. outside of the City limits.

Granted. P. L. Barre and J. Rozma petitioned to come under the Compulsory Sewer Ordinance and to have their respective premises connected with the sanitary sewer under Provisions of Chap. 17 of the General Ordinances.

Granted. The members of the Holland Bonus Fund Trustees Board recommended that E. P. Stephan be appointed to fill the vacancy in said Board caused by the death of George Lage.

On motion of Ald., Kammeraad, Mayor Stephan was appointed member of the Bonus Fund Trustees Board as per recommendation.

### REPORTS OF STANDING COMMITTEES

The Committee on Streets & Crosswalks reported having taken up with the Holland Township Board the matter of paving 16th St. between Lincoln & Fairbanks Aves., and that the proposition was approved by the Board and would be submitted to the Township electors on April 7, 1924, and recommended that the Engineer be instructed to prepare plans, specifications and estimate of cost of such improvement.

## AT LEAST 5,000 INSPECT THE NEW CHRISTIAN SCHOOL

The Christian High school, opened for public inspection, was visited by at least 5,000 citizens from Holland and vicinity Friday afternoon and evening, and they expressed their full approval of the work of the building committee.

The new Christian high school, which was erected by Van Dyke and Coasting at a cost approximating \$75,000, will be opened for work next Monday with a faculty of six.

The student body will consist of 133 high school pupils and 156 primary pupils.

Accommodations have been provided for 16 class rooms, laboratory, physical, science, chemical and faculty rooms and library. The gymnasium is 73x48 feet, 20-foot ceiling. The new gym is higher than the one in the public high school but is a trifle smaller in size. The school building is also equipped with boys' and girls' shower bath rooms, kitchen, toilet rooms. A modern heating plant has been installed and the building is semi-fireproof.

The new school is modern in every detail and located on a beautiful site at the south end of River ave., at the fork formerly known as the Westerhof property. It is built of brick and stone, two stories and basement and covers 75x120 feet. It is well ventilated and is equipped with a sprinkling system.

The grounds around the school are already being beautified, Gerrit J. Zagers of Graafschap being appointed as a committee of one who promises to get the farmers in his neighborhood to draw many loads of clay on the school grounds.

A large flag pole is to be erected in the center of the flatiron in front of the school building, and Richard Ash has promised to donate a large flag that will adorn the pole daily while school is in session.

Besides the beautiful lawn that will surround the school, a great deal of shrubbery is to be put out, and three concrete walks leading to the school will extend from River avenue to the north, from Michigan avenue to the west and from State street to the south.

At the next meeting of the common council application will be made to have the creek on the Michigan avenue side covered with a culvert and also to have suitable crossings built at these so-called five corners.

Miss Bosman of Grand Rapids has been engaged to teach Bible and her coming is eagerly looked forward to by the school authorities, she coming highly recommended.

Three recitation rooms of the sixteen have been fully equipped for immediate use, and others will be finished for occupancy as the needs require.

When the matter of schools for Christian instruction came up, in the state legislature, all Christian schools according to the new law which was also approved by adherents of Christian schools in the state, placed sectarian schools under the jurisdiction of the state.

Two weeks ago the state inspector examined the new building throughout and pronounced it the best and most substantial school building of its size in the state, according to Christian school officials. This speaks well for the contractors and the building committee in charge.

The school will be formally opened Monday, and there will be dedication exercises next Thursday night.

The principal of the school is A. H. Muekens with John Jellema, E. Wolters, Clarence De Graaf, H. Vork and Miss Bosman as the other members of the faculty.

The building committee consists of: Henry Trus, Hyo Bos, Bert Tinkhof, Henry Brut, E. S. Holkeboer, and Gerrit J. Zagers.

## HOLLAND DEFEATS CHICAGO IN SENSATIONAL GAME

The following telegram was received from Chicago:

"Holland Christian High defeated the Chicago Christian High school in a sensational comeback during the 2nd half of the basketball game played at Chicago. The score at the half was 10 to 6 with Chicago in the lead. Holland finished with a 26 to 12 lead."

## HEAR ABOUT BEER AND WINE IN OTHER LANDS

Mrs. J. W. Visscher led the devotees of the W. C. T. U. meeting at the home of Mrs. R. B. Champion on Friday afternoon.

Mrs. E. Fairbanks gave a paper on the subject of "Beer and Wine Drunkenness in History" covering in an interesting way the large subject. Mrs. E. Markham gave some interesting facts on how beer and light wine works in other countries, which convinces all that we do not want it in our own, and ready to fight against its introduction. Miss Katherine Post gave a talk on the drink revolution.

Miss Gladys Huisenga sang pleasingly "The Golden Bells" and "Smiling Through". Mr. Dornbos, candidate for county sheriff, was present stating his principles and answering questions on law enforcement. Mrs. J. Koolker and committee served tea.

## OPENS NEW MARKET AT CENTRAL PARK

A new meat market has been started at Central Park. It was opened Friday and is already doing a flourishing business. The new market was opened by Dick Miles, owner of the Central Park store. Mr. Miles has been conducting a grocery store at Central Park for the past six years and he believed the time had come for a market at that place.

All the latest meat market equipment has been installed, including a Hussian refrigerator. This is said to be the latest thing in refrigeration plants.

## GRAND RAPIDS SEES MAN SHOT DOWN

Many citizens of Grand Rapids saw an Italian named Rulo shot down near Ionia street near Division by two assassins, who took the Italian's life because of the bootleg war now going on in the Furniture City.

Many theater goers watched the killing, the murderer taking place so unexpectedly and done so brutally.

Two men shot down Rulo from behind with a sawed off shot gun, then beat him over the head with the butt of it, then assassin number 2 sent three revolver bullets into the body as he lay upon the pavement.

After watching the writhing body of the Italian until it had stilled the assassins fled.

A short time ago another Italian by the name of Messino was shot down on the road to Kalamazoo. Messino was accused of cutting the price of bootleg whiskey.

## GROUND BROKEN FOR SHOW ROOM AT THE OTTAWA

Ground has been broken and the foundation is being laid for a large and spacious warehouse and showroom on the Ottawa Furniture Company premises. The new building which will consist of three floors will be located on River avenue on the south side of the two square blocks on which are located the extensive buildings and yards of this firm. The warehouse and showroom will be of frame construction with the Magnesian Stucco exterior which has proven so satisfactory and serviceable on other of the company's buildings.

The Holland furniture market has come to be recognized as one of the leading in the country. Bordered on the Grand Rapids district with the same class of workmen who are responsible for the famous Michigan grade of furniture, Holland is peculiarly fortunate.

The living conditions here are ideal; labor is contented; no strikes occur and workmanship is of the best.

Seventy-five years ago a group of sturdy Dutch, driven to this country because of religious persecution, settled at Holland, Michigan. In this group were some of the old time Dutch cabinet makers. This honest, thrifty, cleanly and intelligent group slowly but surely built up a substantial city, whose main industry is furniture. No better nor more conscientious cabinet makers and furniture workers can be found in America today than the offspring of these early pioneers.

With the building of the new hotel, "Warm Friend Tavern", more buyers than ever from all parts of the United States will come into Holland for their furniture requirements.

The Ottawa Furniture Company, foreseeing this, has arranged for a showroom on the second floor of the new building so that buyers may readily come in and inspect the furniture as all of the dining-room, apartment and breakfast-room suites which the Ottawa Furniture Company manufactures will be attractively displayed here in booths.

The additional warehousing facilities of some 30,000 sq. ft. thus added will increase the total floor space of the company to well over a quarter of a million square feet, and the building was necessitated thru the increased sale of the company's products. Through rearrangement of the operating processes, which the new building will allow, the company's output will be materially increased to take care of their expanding business.

The Ottawa Furniture Company manufactures an exceptionally well built, finely designed line of dining-room furniture. Their products are being sold in quantities to the highest class furniture dealers and largest repartment stores of the United States.

They show their products also in the Manufacturers Building at Grand Rapids, and it was only recently that a large Grand Rapids dealer, who had bought a considerable quantity of their product, made the remark that it seemed odd that a Grand Rapids buyer had to go to Holland for real values in furniture.

The company has for some time past been under the general management of Arthur A. Visscher, with W. H. Wing, secretary and treasurer of the organization, and Jim De Pree, formerly sales manager of the De Pree Company, as sales manager and vice president.

The people of Holland are glad to note the continued growth of this old and reliable firm which has always been one of the principal furniture manufacturing organizations of Western Michigan. The Ottawa Furniture Company, together with the West Michigan Furniture Company, Chas. P. Lambert Company, Holland Furniture Co., Bay View Furniture Company, Thompson Manufacturing Company, American Cabinet Company and others have made Holland a great furniture center. Every firm makes a substantial and reliable grade of furniture, and the amount of their products bought from this city each year runs into millions of dollars.

In a recent discussion Mr. Visscher, General Manager of the Ottawa Furniture Company, stated that he felt that the new hotel would further help the Holland market to a considerable extent and that advertising thru the city had already received through its exceptionally large means of attracting attention to the manufacturing facilities of the city and would become more and more a source of advertising as time went on.

## HANS DYKHUIS ANNOUNCES SELF AS A CANDIDATE

Hans Dykhuis, former sheriff of Ottawa County, was in Holland Friday and while here he announced to his friends in southern Ottawa that he would be a candidate for re-election and re-election as sheriff the coming summer and fall. Petitions have been circulating for Mr. Dykhuis throughout Ottawa county for some time and he has been liberally signed by the former sheriff's friends. They have not yet been filed but this formality will be attended to in due time.

Mr. Dykhuis has been an officer for fifteen years, part of the time connected with the sheriff's department and part of the time a city officer. He served as sheriff for four years and he also served as under sheriff during the time that his father, Henry Dykhuis, was sheriff, and held the position of deputy sheriff for many years. Hence he is intimately acquainted with all the ins and outs of the sheriff's department, from all angles.

At present Mr. Dykhuis is employed by the Pere Marquette railroad as a crossing watchman at Grand Haven.

He has many friends both in the northern part of the county where he has made his home since his election to the office of sheriff and in southern Ottawa where he lived before that time. He expects to make a spirited race for the nomination on the Republican ticket at the coming primaries in August.

The entry of Hans Dykhuis into the race makes the number on the Republican side of the fence three. C. Steketee and C. J. Dornbos announced themselves some time ago as candidates. The race for the nomination with three such experienced men in the field will undoubtedly be a hot one.

And no matter who wins the Republican nomination the race that will follow for the election will probably be still hotter. Fred Kamferbeek has a monopoly on the Democratic nomination. It is inconceivable that anyone else will even try against him. Whoever wins the Republican nomination will have to fight it out with Kamferbeek and that scrap will be worth watching.

## CHILDREN TO BE ADMITTED FREE TO THE HOLLAND FAIR

Great news for the children of Holland and vicinity was released Saturday morning by the directors of the Holland fair association. At a meeting of the directors held Friday night it was decided to let all children under 12 years in free at the next fair provided they are accompanied by a parent. The youngsters can come as often as they please and the fair association will play most to them during all the days of the fair.

In former years it was the custom to charge the children fifteen cents, but the fair directors Friday night at their meeting, argued that the fair is an educational institution and one of the main purposes of the exhibit is to interest the youth of the community in things that distinguish this region. For that reason it was decided to remove all obstacles to the attendance of the children as often as they may wish to come.

The announcement is all the more welcome because of the fact that this year the children will not be in school during fair week. The fair will be held in August before the schools open for the fall term and for that reason the children will have more opportunity to come to the fair than they would otherwise have. It is a safe bet that the attendance of children under twelve at this year's fair will be the largest in the institution's history.

Another feature decided upon Friday night was to give away a Chevrolet touring car at the fair this fall. This will not be done through the merchants as has been done in the past but by means of coupons attached to the tickets purchased at the gate.

The free acts and fireworks have all been contracted for and the largest display ever put on at a Holland fair will be seen there this year.

Frank Wallin of Jenison was elected county secretary of the County Guernsey cattle association at a meeting of that body in Grand Rapids. The association is composed of breeders from Kent, Allegan and Ottawa counties.

Better purebred Guernsey cattle are available in Michigan than on the island of Guernsey, the original home of the breed, said Prof. E. O. Reed, head of the dairy husbandry department, M. A. C.

The demand for purebred Guernsey cattle exceeds the offerings from Michigan. L. H. Wigman, of East Lansing, one of the state's leading breeders, told the association. He made a strong bid for support for a state organization field man, asserting that this condition might not continue and that the breed must be properly exploited following the examples of the Holstein and Jersey organizations. The association voted to give financial backing to the project.

Asserting that dairymen and farmers generally do not realize the threatened corn crop failure as the result of the 1923 crop having low germinating qualities, County Agent K. K. Wing made a plea for seed corn testing.

## NOTICE TO CONTRACTORS For Construction of Pavements, Holland, Michigan.

Sealed proposals will be received by the Common Council of the City of Holland, Michigan, at the office of the Clerk of said city, until 4:00 P. M., standard time, Tuesday, April 22, 1924, for furnishing all material and for the construction of pavements in said city.

Said work will consist of grading, construction of a 4 inch water bound macadam or concrete base and sheet asphalt wearing course of approximately 32,500 square yards.

Each bid must be accompanied with a certified check for five per cent of the amount of the bid payable to the Treasurer of the City of Holland.

## Proposed Improvement of Sixteenth Street from Lincoln Avenue to Fairbanks Avenue.

Notice is hereby given that at a meeting of the Common Council of the city of Holland, held Wednesday, April 2, 1924, the following resolutions were adopted:

Resolved, That the city of Holland shall jointly with the Township of Holland improve the highways along the south boundary of the limits of the city of Holland, which lies between the west line of Lincoln avenue on the west, and the center of Fairbanks avenue on the east except the west 33 feet thereof lying and being in the Township of Holland, and the north Thirty-three (33) feet thereof, lying and being in the City of Holland; and construct a sheet asphalt wearing course on the present gravel roadbed widened to the gutter line with concrete macadam, or black base, in accordance with the plans, diagrams and profile of the work, prepared by the City Engineer of the City of Holland, and now on file in the office of the City Clerk of said City of Holland; said improvement being considered a necessary public improvement; and that the cost and expense of making the City of Hollands share of such improvement and of constructing the City of Hollands share of roadway, as aforesaid, shall be paid partly from the General Street Fund of the City of Holland and partly by Special Assessment upon the lands, lots and premises within the city of Holland, abutting upon that part of said highway between the west line of Lincoln Avenue on the west and center line of Fairbanks avenue on the east, as follows:

Total estimated cost of improvement, including costs of surveys, plans, assessment and cost of construction \$11,295.04, that the city's share of the cost of said improvement, including the cost of surveys, plans, assessments and construction, \$6,742.04 and that the entire amount of \$6,742.04 be defrayed by special assessment upon the lots and lands within the City of Holland abutting upon said part of 16th-st. according to the provisions of the City Charter; provided however, that the cost of improving the street intersections where said part of Sixteenth street intersects other streets of the city of Holland, shall be paid from the General Street Fund of the City; that the lands, lots and premises upon which said special assessment shall be levied, shall include all the lands, lots and premises within the city of Holland, abutting on said parts of Sixteenth street; all of which lots and premises as herein set forth, to be designated and declared to constitute a special assessment district, to defray that part of the cost of paving and improving said part of Sixteenth street in the manner hereinafter set forth, said district to be known and designated as the East Sixteenth Street Paving Special Assessment district in the City of Holland.

Resolved, that the profile, diagram, plans and estimate of cost of the proposed improvement of cost of the highway along the south boundary of the limits of the city of Holland, which lies between the west line of Lincoln avenue on the west and the center of Fairbanks avenue on the east, in the City of Holland, be deposited in the office of the City Clerk for public examination and that the city clerk be instructed to give notice thereof, of the proposed amendment and of the district to be assessed therefore, by publishing notice of the same for two weeks and that Wednesday, the 7th day of May A. D. 1924, at 7:30 o'clock, P. M. be and is hereby determined as the time when the council will meet at the council rooms to consider any suggestions or objections that may be made to said assessment district, improvement, diagram, profile and estimate of cost.

RICHARD OVERWAY, City Clerk.

## PROPOSED VACATING OF PART OF LAKE STREET IN THE CITY OF HOLLAND.

Holland, Mich., April 5, 1924

Whereas, the owner of all the property adjoining that part of Lake-St. which lies between Third street on the south and Second street on the north in the City of Holland, has petitioned the Common Council to vacate, discontinue and abolish the same for street purposes and for reversion to the owner of the property abutting thereon, and

Whereas, the said part of Lake-St. in the city of Holland which is bounded by Third street on the south and Second street on the north is not and has not been opened for use to the general public for upwards of 15 years last past and at present is occupied for switch track purposes, and the owner of all the property abutting on said part of said street is in agreement with the city of Holland for the continued use thereof for said switch track purposes, therefore,

Resolved, that the Common Council of the city of Holland deems it advisable to so discontinue and abolish the said part of Lake street in the city of Holland which is bounded on the south by Third street and on the north by Second street; and the Common Council hereby appoints Wednesday the 21st day of May A. D. 1924, at 7:30 P. M. the time when the said Common Council will meet in the Common Council rooms in the City Hall in the City of Holland to hear objections thereto.

By order of the Common Council,  
RICHARD OVERWAY, City Clerk.
